We have not authorized anyone to provide you with information that is different or inconsistent with the information contained in, or incorporated by reference in, this prospectus, any accompanying prospectus supplement or in any related free writing prospectus filed by us with the SEC. This prospectus and any accompanying prospectus supplement do not constitute an offer to sell or the solicitation of an offer to buy any securities other than the securities described in such accompanying prospectus supplement or an offer to sell or the solicitation of an offer to buy such securities in any circumstances in which such offer or solicitation is unlawful. You should assume that the information appearing in this prospectus, any prospectus supplement, the documents incorporated by reference and any related free writing prospectus is accurate only as of their respective dates. Our business, financial condition, results of operations and prospects may have changed materially since those dates.

Unless the context otherwise indicates, references in this prospectus to “we,” “our,” “Limoneira,” the “Company,” “us” and similar designations refer, collectively, to Limoneira Company, a Delaware corporation, and its consolidated subsidiaries.

This prospectus may not be used to consummate a sale of securities unless it is accompanied by a prospectus supplement.

## RISK FACTORS

Investing in our securities involves significant risks. Please see the risk factors under the heading “Risk Factors” in our [Annual Report on Form 10-K for the year ended October 31, 2019](#) on file with the SEC, which are incorporated by reference in this prospectus and which will be updated in our Quarterly Reports on Form 10-Q, also incorporated by reference in this prospectus. Before making an investment decision, you should carefully consider these risks as well as other information we include or incorporate by reference in this prospectus and any prospectus supplement. Additional risks and uncertainties not presently known to us or that we currently deem immaterial may also affect our business operations.

## WHERE YOU CAN FIND MORE INFORMATION

The SEC maintains an Internet site that contains reports, proxy and information statements, and other information regarding issuers that file electronically with the SEC, which is available at <http://www.sec.gov>. Copies of certain information filed by us with the SEC are also available on our website at <http://www.limoneira.com>. Our website is not a part of this prospectus.

This prospectus is part of a registration statement we filed with the SEC. This prospectus omits some information contained in the registration statement in accordance with SEC rules and regulations. You should review the information and exhibits in the registration statement for further information on us and our consolidated subsidiaries and the securities we are offering. The SEC allows us to incorporate by reference much of the information we file with the SEC, which means that we can disclose important information to you by referring you to those publicly available documents. The information that we incorporate by reference in this prospectus is considered to be part of this prospectus. Because we are incorporating by reference future filings with the SEC, this prospectus is continually updated and those future filings may modify or supersede some of the information included or incorporated in this prospectus. This means that you must look at all of the SEC filings that we incorporate by reference to determine if any of the statements in this prospectus or in any document previously incorporated by reference have been modified or superseded. This prospectus incorporates by reference the documents listed below (Commission File No. 001-34755) and any future filings we make with the SEC under Sections 13(a), 13(c), 14 or 15(d) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”) (in each case, other than those documents or the portions of those documents not deemed to be filed) between the date of the initial registration statement and the effectiveness of the registration statement and following the effectiveness of the registration statement until the offering of our common stock under the registration statement is terminated or completed:

## CAUTIONARY NOTE REGARDING FORWARD-LOOKING STATEMENTS

This prospectus and the information incorporated by reference in this prospectus include “forward-looking statements” within the meaning of Section 27A of the Securities Act and Section 21E of the Exchange Act. These statements can be identified by the fact that they do not relate strictly to historical or current facts and may include the words “may,” “will,” “could,” “should,” “would,” “believe,” “expect,” “anticipate,” “estimate,” “intend,” “plan” or other words or expressions of similar meaning. We have based these forward-looking statements on our current expectations about future events. The forward-looking statements include statements that reflect management’s beliefs, plans, objectives, goals, expectations, anticipations and intentions with respect to our financial condition, results of operations, future performance and business, including statements relating to our business strategy and our current and future development plans.

The potential risks and uncertainties that could cause our actual financial condition, results of operations and future performance to differ materially from those expressed or implied in this prospectus include:

- changes in laws, regulations, rules, quotas, tariffs and import laws;

- adverse weather conditions, natural disasters and other adverse natural conditions, including freezes, rains, fires and droughts, that affect the production, transportation, storage, import and export of fresh produce;
- market responses to industry volume pressures;
- increased pressure from disease, insects and other pests;
- disruption of water supplies or changes in water allocations;
- product and raw materials supplies and pricing;
- energy supply and pricing;
- changes in interest and currency exchange rates;
- availability of financing for development activities;
- general economic conditions for residential and commercial real estate development;
- political changes and economic crises;
- international conflict;
- acts of terrorism;
- labor disruptions, strikes, shortages or work stoppages;
- potential negative impacts related to COVID-19 and the effectiveness of the Company’s responses to the pandemic;
- loss of important intellectual property rights; and
- other factors disclosed in this prospectus or any accompanying prospectus supplement.

In addition, this prospectus contains industry data related to our business and the markets in which we operate. This data includes projections that are based on a number of assumptions. If these assumptions turn out to be incorrect, actual results could differ from the projections. We urge you to carefully review this prospectus, particularly the section entitled “Risk Factors” of this prospectus, and any other risk factors set forth in any accompanying prospectus supplement and in any information incorporated by reference in this prospectus for a description of these risks and uncertainties as well as any other risk factors and cautionary statements described in the documents we file from time to time with the SEC, specifically our most recent Annual Report on Form 10-K, our Quarterly Reports on Form 10-Q and our Current Reports on Form 8-K.

Although we believe that the expectations reflected in the forward-looking statements are reasonable, we cannot guarantee future results, level of activity, performance or achievements. Many factors discussed in this prospectus, some of which are beyond our control, will be important in determining our future performance. Consequently, actual results may differ materially from those that might be anticipated from forward-looking statements. In light of these and other uncertainties, you should not regard the inclusion of a forward-looking statement in this prospectus as a representation by us that our plans and objectives will be achieved, and you should not place undue reliance on such forward-looking statements. We undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as required by law.

#### **ABOUT LIMONEIRA COMPANY**

Limoneira Company was incorporated in Delaware in 1990 as the successor to several businesses with operations in California since 1893. We are primarily an agribusiness company founded and based in Santa Paula, California, committed to responsibly using and managing our approximately 15,700 acres of land, water resources and other assets to maximize long-term stockholder value. Our current operations consist of fruit production, sales and marketing, rental operations, real estate and capital investment activities. Since May 27, 2010, our common stock has traded on the NASDAQ Global Select Market under the symbol “LMNR.”

We are one of California’s oldest citrus growers. According to Sunkist Growers, Inc., we are one of the largest growers of lemons in the United States and, according to the California Avocado Commission, one

of the largest growers of avocados in the United States. In addition to growing lemons and avocados, we grow oranges and a variety of specialty citrus and other crops. We have agricultural plantings throughout Ventura, Tulare, San Luis Obispo and San Bernardino Counties in California, Yuma County in Arizona, La Serena, Chile and Jujuy, Argentina, which collectively consist of approximately 6,200 acres of lemons, 900 acres of avocados, 1,600 acres of oranges and 1,000 acres of specialty citrus and other crops. We also operate our own packinghouses in Santa Paula and Oxnard, California and Yuma, Arizona, where we process, pack and sell lemons that we grow, as well as lemons grown by others. We have a 47% interest in Rosales S.A., a citrus packing, marketing and sales business, a 90% interest in Fruticola Pan de Azucar S.A. ("PDA"), a lemon and orange orchard and 100% interest in Agrícola San Pablo, SpA ("San Pablo"), a lemon and orange orchard, all of which are located near La Serena, Chile. We have a 51% interest in a joint venture, Trapani Fresh Consorcio de Cooperacion ("Trapani Fresh"), a lemon growing, packing, marketing and selling business in Argentina.

Our water resources include water rights, usage rights and pumping rights to the water in aquifers under, and canals that run through, the land we own. Water for our farming operations is sourced from the existing water resources associated with our land, which includes rights to water in the adjudicated Santa Paula Basin (aquifer) and the un-adjudicated Fillmore and Paso Robles Basins (aquifers). We use ground water from the San Joaquin Valley Basin and water from local water and irrigation districts in Tulare County, which is in California's San Joaquin Valley. We also use ground water from the Cadiz Valley Basin in California's San Bernardino County and surface water in Arizona from the Colorado River through the Yuma Mesa Irrigation and Drainage District ("YMIDD"). We use ground water provided by wells and surface water for our PDA and San Pablo farming operations in Chile and our Trapani Fresh farming operations in Argentina.

For more than 100 years, we have been making strategic investments in California agriculture and real estate. We currently have an interest in three real estate development projects in California. These projects include multi-family housing and single-family homes comprising approximately 260 completed rental units and another approximately 1,500 units in various stages of planning and development.

Our principal executive offices are located at 1141 Cummings Road, Santa Paula, California 93060 and our telephone number is (805) 525-5541.

Limoneira is a registered trademark of Limoneira Company. The Limoneira logo is a registered stylized trademark of Limoneira Company.

#### **USE OF PROCEEDS**

Unless otherwise indicated in the applicable prospectus supplement, we intend to use the net proceeds from the sale of shares of our common stock offered under this prospectus for general corporate purposes, which may include, among other things: reducing or refinancing indebtedness; acquiring assets, businesses or securities; making capital expenditures and for working capital, as well as for repurchasing stock. When specific securities are offered, the prospectus supplement relating thereto will set forth our intended use of the net proceeds that we receive from the sale of such shares of common stock. Pending the application of the net proceeds, we may invest the proceeds in marketable securities and short-term investments.

## DESCRIPTION OF CAPITAL STOCK

### General

Our certificate of incorporation currently authorizes the issuance of up to 39,100,000 shares of capital stock, consisting of 39,000,000 shares of common stock, par value \$0.01 per share; 50,000 shares of Class A Preferred Stock, par value \$0.01 per share; and 50,000 shares of Class B Preferred Stock, par value \$100 per share. The following description of our capital stock is a summary and is qualified by the provisions of our certificate of incorporation and bylaws, copies of which are exhibits to the registration statement of which this prospectus forms a part.

### Common Stock

We have 39,000,000 authorized shares of common stock, par value \$0.01 per share. On June 1, 2020, there were 17,857,707 shares of our common stock outstanding. Holders of our common stock are entitled to one vote for each share held of record on each matter submitted to a vote of stockholders. Subject to the prior rights of any class or series of preferred stock which may from time to time be outstanding, if any, holders of our common stock are entitled to receive ratably, dividends when, as and if declared by our board of directors out of funds legally available for that purpose and, upon our liquidation, dissolution or winding up, are entitled to share ratably in all assets remaining after payment of liabilities and payment of accrued dividends and liquidation preferences on any preferred stock. Holders of our common stock have no preemptive rights and have no rights to convert their common stock into any other securities. Our outstanding common stock is duly authorized and validly issued, fully paid and nonassessable. In the event we were to elect to sell additional shares of common stock, holders of our common stock would have no right to purchase additional shares. As a result, the common stockholders' percentage equity interest would be diluted.

### Preferred Stock

We have 100,000 authorized shares of preferred stock, consisting of (i) 50,000 shares of Class A Preferred Stock, par value \$0.01 per share, of which 20,000 shares have been designated as Series A Junior Participating Preferred Stock, and (ii) 50,000 shares of Class B Preferred Stock, par value \$100 per share, of which 30,000 shares have been designated as Series B Convertible Preferred Stock (the "Series B Convertible Preferred Stock") and 10,000 shares have been designated as Series B-2 4% Voting Preferred Stock (the "Series B-2 Preferred Stock"). We may issue preferred stock in one or more series and having the rights, privileges and limitations, including voting rights, conversion rights, liquidation preferences, dividend rights and preferences and redemption rights, as may, from time to time, be determined by our board of directors. Preferred stock may be issued in the future in connection with acquisitions, financing or other matters, as our board of directors deems appropriate. In the event that we determine to issue any shares of preferred stock, a certificate of designation containing the rights, privileges and limitations of the series of preferred stock will be filed with the Delaware Secretary of State. The effect of this preferred stock designation power is that our board of directors alone, subject to federal securities laws, applicable blue sky laws and Delaware law, may be able to authorize the issuance of preferred stock that could have the effect of delaying, deferring or preventing a change in control without further action by our stockholders, and may adversely affect the voting and other rights of the holders of our common stock. The issuance of preferred stock with voting and conversion rights may also adversely affect the voting power of the holders of our common stock, including the loss of voting controls to others. Below is a description of each class of preferred stock as of June 1, 2020.

#### ***Series A Junior Participating Preferred Stock***

On October 31, 2006, our board of directors designated 20,000 shares of Class A Preferred Stock as Series A Junior Participating Preferred Stock, par value \$0.01 per share. Such dividends are payable quarterly on or before the fifteenth day of January, April, July and October in each year commencing on the first quarterly dividend payment date after the first issuance of a share or fraction of a share of Series A Junior Participating Preferred Stock.

*Liquidation Rights.* In the event of any voluntary or involuntary liquidation, dissolution or winding up of the Company, the holders of shares of our Series A Junior Participating Preferred Stock are entitled to be paid out of the assets available for distribution, before any payment is made to the holders of our common stock or any other series or class of our shares ranking junior to the Series A Junior Participating Preferred Stock, an amount equal to \$100.00 per share, plus an amount equal to all accrued and unpaid dividends. Following the payment in full of such liquidation preference, no additional distributions may be made to the holders of shares of our Series A Junior Participating Preferred Stock unless the holders of our common stock have received an amount per share equal to a specified quotient, and, upon payment in full to the holders of our common stock of an amount equal to such quotient, holders of shares of our Series A Junior Participating Preferred Stock and our common stock are entitled to receive their ratable and proportionate share of the remaining assets to be distributed in a specified ratio.

*Voting Rights.* Each share of Series A Junior Participating Preferred Stock is entitled to 1,000 votes on all matters submitted to a vote of our stockholders.

Pursuant to the terms of the Certificate of Designation, Preferences and Rights of the Series B Convertible Preferred Stock, the conversion price shall be adjusted to reflect any dividends paid in common stock of the Company, the subdivision of the common stock of the Company into a greater number of shares of common stock of the Company or to prevent unfair dilution or increase of the converted common stock upon the advice of legal counsel.

*Dividends.* The holders of shares of our Series B Convertible Preferred Stock are entitled to receive cumulative cash dividends at an annual rate of 8.75% of par value. Such dividends are payable quarterly on the first day of January, April, July and October in each year commencing July 1, 1997.

*Liquidation Rights.* In the event of any voluntary or involuntary liquidation, dissolution or winding up of the Company, the holders of shares of our Series B Convertible Preferred Stock are entitled to be paid out of the assets available for distribution, before any payment is made to the holders of our common stock or any other series or class of our shares ranking junior to the Series B Convertible Preferred Stock, an amount equal to \$100.00 per share, plus an amount equal to all accrued and unpaid dividends.

*Voting Rights.* Each holder of shares of our Series B Convertible Preferred Stock is entitled to ten votes on all matters submitted to a vote of the stockholders of the Company.

*Redemption.* The Company, at the option of the board of directors, may redeem the Series B Convertible Preferred Stock, as a whole or in part, at any time or from time to time on or after August 1, 2017 and before July 31, 2027, at a redemption price equal to \$100.00 per share, plus accrued and unpaid dividends thereon to the date fixed for redemption.

*Put Rights.* At any time upon written notice to the Company given on or after July 1, 2017 and before June 30, 2027, any holders of record of our Series B Convertible Preferred Stock may cause the Company

to repurchase all of the outstanding shares of the Series B Convertible Preferred Stock held by that stockholder at a repurchase price equal to its par value plus accrued and unpaid dividends thereon, to the date fixed for repurchase. The repurchase date, which will be fixed by the Company, will not be more than 90 days following the date of the written notice from the Series B Convertible Stockholder. The Company will provide notice regarding any such repurchase.

### **Series B-2 Preferred Stock**

On March 19, 2014, our board of directors designated 10,000 shares of Class B Preferred Stock as Series B-2 Preferred Stock. As of June 1, 2020, there were 9,300 shares of our Series B-2 Preferred Stock issued and outstanding. Our Series B-2 Preferred Stock has the following rights, preferences, privileges and restrictions:

*Conversion.* Each share of the Series B-2 Preferred Stock is convertible into common stock at a conversion price equal to the greater of (a) the then-market price of the Company's common stock based upon the closing price of the Company's common stock on the NASDAQ Stock Market LLC or on such other principal market on which the Company's common stock may then be trading and (b) \$15.00 per share of common stock. Shares of the Series B-2 Preferred Stock may be converted into common stock (i) at any time prior to the redemption thereof, or (ii) in the event the option agreement between Associated Citrus Packers, Inc., an Arizona corporation and our wholly-owned subsidiary, and WPI-ACP Farm AZ, LLC, a Delaware limited liability company, dated March 21, 2014 (the "Option Agreement") is terminated without all of the shares of Series B-2 Preferred Stock having been redeemed, within 30 calendar days following such termination.

*Dividends.* The holder of shares of the Series B-2 Preferred Stock is entitled to receive cumulative cash dividends at an annual rate of 4% of the liquidation value of \$1,000 per share. Such dividends are payable quarterly on the first day of January, April, July and October in each year commencing July 1, 2014.

*Liquidation Rights.* In the event of any voluntary or involuntary liquidation, dissolution or winding up of the Company, the holders of shares of our Series B-2 Preferred Stock are entitled to be paid out of the assets available for distribution, before any payment is made to the holders of the Company's common stock or any other series or class of the Company's shares ranking junior to the Series B-2 Preferred Stock, an amount equal to the liquidation value of \$1,000 per share, plus an amount equal to all accrued and unpaid dividends.

*Voting Rights.* Each share of Series B-2 Preferred Stock is entitled to one vote on all matters submitted to a vote of the Company's stockholders.

*Redemption.* The Company may redeem shares of Series B-2 Preferred Stock only (i) from WPI-ACP Holdings, LLC or its designee ("WPI") and (ii) upon, and to the extent of, WPI's election to exercise its option pursuant to the Option Agreement, at a redemption price equal to the liquidation value of \$1,000 per share, plus accrued and unpaid dividends.

*Transfer Restriction.* The shares of the Series B-2 Preferred Stock may not be transferred without the consent of the Company, which shall not be unreasonably withheld.

### **Anti-Takeover Effects**

#### *Effects of Authorized but Unissued Stock*

We have shares of common stock and preferred stock available for future issuance without stockholder approval, subject to any limitations imposed by the listing standards of the NASDAQ Global Select Market. We may utilize these additional shares for a variety of corporate purposes, including for future public offerings to raise additional capital or facilitate corporate acquisitions or for payment as a dividend on our capital stock. The existence of unissued and unreserved common stock and preferred stock may enable our board of directors to issue shares to persons friendly to current management or to issue preferred stock with terms that could have the effect of making it more difficult for a third party to acquire, or could discourage a third party from seeking to acquire, a controlling interest in our Company by means of a merger, tender offer, proxy contest or otherwise. In addition, if we issue preferred stock, the issuance could adversely

affect the voting power of holders of common stock and the likelihood that such holders will receive dividend payments and payments upon liquidation.

*Certificate of Incorporation and Bylaws*

Various provisions of our certificate of incorporation and bylaws, which are summarized in the following paragraphs, may be deemed to have an anti-takeover effect and may delay, defer or prevent a tender offer or takeover attempt that a stockholder might consider in its best interest, including those attempts that might result in a premium over the market price for the shares held by stockholders.

*No Stockholder Action by Written Consent.* Our certificate of incorporation prohibits stockholder action by written consent.

*Calling of Special Meetings of Stockholders.* Our bylaws provide that special meetings of our stockholders may be called only by our board of directors, a committee of the board of directors or one or more stockholders holding shares that in the aggregate are entitled to cast ten percent of the votes at that meeting.

*Classified Board of Directors.* Our certificate of incorporation divides our board of directors into three classes of directors who are elected for three-year terms. Therefore, the full board of directors is not subject to re-election at each annual meeting of our stockholders. Our holders of capital stock are entitled to cumulate their votes in the election of directors. Generally, all matters to be voted on by stockholders must be approved by a majority (or, in the case of the election of directors, by a plurality) of the votes entitled to be cast by all holders of capital stock voting as a single class.

*Limits on Ability of Stockholders to Elect and Remove Directors.* Our board of directors has the sole right to elect a director to fill a vacancy created by the expansion of the board of directors or the resignation, death or removal of a director, which prevents stockholders from being able to fill vacancies on our board of directors. In addition, directors may only be removed by the action of the holders of at least two-thirds of the outstanding shares of our capital stock, voting together as a single class.

*Authorized But Unissued Shares.* Our authorized but unissued shares of common stock and preferred stock will be available for future issuance without the approval of holders of common stock. We may use these additional shares for a variety of corporate purposes, including future offerings to raise additional capital, corporate acquisitions and employee benefit plans.

*Supermajority Requirement for Amendment of Bylaws.* Under our bylaws, the holders of at least two-thirds of the outstanding shares of our capital stock, voting together as a single class, must act to amend our bylaws by stockholder action. The board of directors also has the ability to amend the bylaws without stockholder consent.

*Business Combinations and other Significant Corporate Transactions with Substantial Stockholders.* Our certificate of incorporation requires the affirmative vote of 66 2/3% of the total voting power of all outstanding securities entitled to vote generally in the election of directors to approve certain business combinations and other significant corporate transactions if a substantial stockholder (as defined in our certificate of incorporation) or an affiliate of a substantial stockholder (as defined in our certificate of incorporation) is a party to the transaction. Two-thirds of the board of directors may, in all such cases, determine not to require such 66 2/3% affirmative vote.

*Stockholder Proposals and Nominations of Candidates for Election to the Board of Directors.* For nominations or other business to be properly brought before an annual meeting by a stockholder, the stockholder must have given timely written notice. To be timely, the stockholder's notice must be received at our principal executive offices not earlier than the November 15 immediately preceding the annual meeting nor later than the close of business on the ninetieth (90<sup>th</sup>) day immediately preceding the scheduled date of the annual meeting. The notice must set forth (i) as to each person whom the stockholder proposes to nominate for election or re-election as a director: (a) all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors in an election contest, or is otherwise required, in each case pursuant to and in accordance with Regulation 14A under the Exchange Act, (b) such person's written consent, and (c) such other information as we may reasonably require to determine the eligibility

to serve as a director, including information relevant to a determination whether such proposed nominee can be considered an independent director; (ii) as to each other matter the stockholder proposes to bring before the annual meeting: (a) a brief description of the business desired to be brought and the reasons for conducting such business at the annual meeting and (b) any material interest of the stockholder in such business; and (iii) as to the stockholder giving the notice: (a) the name and record address of the stockholder and (b) the class, series and number of shares of stock which are beneficially owned by the stockholder. This is the exclusive means for a stockholder to make nominations or other business proposals (other than matters properly brought under Rule 14a-8 under the Exchange Act and included in our notice of meeting) before an annual meeting of stockholders.

### **Directors' Liability**

Our certificate of incorporation provides that a member of the board of directors will not be personally liable to us or our stockholders for monetary damages for breaches of their fiduciary duties to us or our stockholders as a director, except for liability:

- for any breach of the director's duty of loyalty to us or our stockholders;
- for acts or omissions by the director not in good faith or which involve intentional misconduct or a knowing violation of law;
- for declaring dividends or authorizing the purchase or redemption of shares in violation of Delaware law; or
- for transactions where the director derived any improper personal benefit.

Our certificate of incorporation also allows us to indemnify directors and officers to the fullest extent authorized by Delaware law.

Our bylaws provide that we shall, to the fullest extent authorized by the Delaware General Corporation Law ("DGCL"), indemnify our directors; provided, however, that we may limit the extent of such indemnification by individual contracts with our directors. We shall indemnify any director or other person seeking indemnification in connection with a proceeding (or part thereof) initiated by such person only if such proceeding (or part thereof) was initiated or authorized by the board of directors.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or persons controlling the Company pursuant to the foregoing, or otherwise, the Company has been informed that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable.

### **Transfer Agent and Registrar**

The Transfer Agent and Registrar for our common stock is Computershare Trust Company, N.A.

## PLAN OF DISTRIBUTION

We may sell the shares of common stock being offered hereby in one or more of the following ways from time to time:

- through agents to the public or to investors;
- to underwriters for resale to the public or to investors;
- in “at the market offerings” within the meaning of Rule 415(a)(4) of the Securities Act, to or through a market maker or into an existing trading market, on an exchange or otherwise;
- directly to investors; or
- through a combination of any of these methods of sale.

We will set forth in a prospectus supplement the terms of a particular offering of shares of common stock, including:

- the name or names of any agents or underwriters;
- the purchase price of the securities being offered and the proceeds we will receive from the sale;
- any overallotment options under which underwriters may purchase additional shares of common stock from us;
- any agency fees or underwriting discounts and other items constituting agents’ or underwriters’ compensation;
- any initial public offering price;
- any discounts or concessions allowed or re-allowed or paid to dealers; and
- any securities exchanges or markets on which such shares of common stock may be listed.

### Agents

We may designate agents who agree to use their reasonable efforts to solicit purchases of shares of our common stock for the period of their appointment or to sell such shares of common stock on a continuing basis.

### Underwriters

If we use underwriters for a sale of shares of common stock, the underwriters will acquire the common stock for their own account. The underwriters may resell the shares of common stock in one or more transactions, including negotiated transactions, at a fixed public offering price or at varying prices determined at the time of sale. Unless otherwise indicated in the applicable prospectus supplement, the obligations of the underwriters to purchase the shares of common stock will be subject to the conditions set forth in the applicable underwriting agreement and the underwriters will be obligated to purchase all such shares if any are purchased. We may change from time to time any initial public offering price and any discounts or concessions the underwriters allow or re-allow or pay to dealers. We may use underwriters with whom we have a material relationship. We will describe the nature of any such relationship in any prospectus supplement naming any such underwriter. Only underwriters we name in the prospectus supplement are underwriters of the shares of common stock offered by the prospectus supplement.

### Direct Sales

We may also sell securities directly to one or more purchasers without using underwriters or agents. Underwriters, dealers and agents that participate in the distribution of the securities may be underwriters as defined in the Securities Act, and any discounts or commissions they receive from us and any profit on their resale of the securities may be treated as underwriting discounts and commissions under the Securities Act. We will identify in the applicable prospectus supplement any underwriters, dealers or agents and will describe their compensation. We may have agreements with the underwriters, dealers and agents to indemnify

them against specified civil liabilities, including liabilities under the Securities Act. Underwriters, dealers and agents may engage in transactions with or perform services for us in the ordinary course of their businesses.

#### **Trading Markets and Listing of Securities**

Our common stock is listed on the NASDAQ Global Select Market. We cannot give any assurance as to the liquidity of the trading market for shares of our common stock.

#### **Stabilization Activities**

Any underwriter may engage in over-allotment, stabilizing transactions, short covering transactions and penalty bids in accordance with Regulation M under the Exchange Act. Over-allotment involves sales in excess of the offering size, which create a short position. Stabilizing transactions permit bids to purchase the underlying security so long as the stabilizing bids do not exceed a specified maximum. Short covering transactions involve purchases of the securities in the open market after the distribution is completed to cover short positions. Penalty bids permit the underwriters to reclaim a selling concession from a dealer when the securities originally sold by the dealer are purchased in a covering transaction to cover short positions. Those activities may cause the price of the securities to be higher than it would otherwise be. If commenced, the underwriters may discontinue any of these activities at any time.

#### **Passive Market Making**

Any underwriters who are qualified market makers on the NASDAQ Global Select Market may engage in passive market making transactions in the securities on the NASDAQ Global Select Market in accordance with Rule 103 of Regulation M, during the business day prior to the pricing of the offering, before the commencement of offers or sales of the securities. Passive market makers must comply with applicable volume and price limitations and must be identified as passive market makers. In general, a passive market maker must display its bid at a price not in excess of the highest independent bid for such security. If all independent bids are lowered below the passive market maker's bid, however, the passive market maker's bid must then be lowered when certain purchase limits are exceeded.

#### **FINRA**

In compliance with the guidelines of the Financial Industry Regulatory Authority, Inc. ("FINRA"), the aggregate maximum discount, commission or agency fees or other items constituting underwriting compensation to be received by any FINRA member or independent broker-dealer will not exceed 8% of any offering pursuant to this prospectus and any applicable prospectus supplement or pricing supplement, as the case may be; however, it is anticipated that the maximum commission or discount to be received in any particular offering of securities will be significantly less than this amount.

If 5% or more of the net proceeds of any offering of securities made under this prospectus will be received by a FINRA member participated in the offering or affiliates or associated persons of such FIINRA member, the offering will be conducted in accordance with FINRA Rule 5121.

**Item 15. Indemnification of Directors and Officers.**

Section 102 of the DGCL allows a corporation to eliminate the personal liability of directors of a corporation to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except where the director breached the duty of loyalty, failed to act in good faith, engaged in intentional misconduct or knowingly violated a law, authorized the payment of a dividend or approved a stock repurchase or redemption in violation of Delaware corporate law or obtained an improper personal benefit.

Section 145 of the DGCL provides for the indemnification of officers, directors and other corporate agents in terms sufficiently broad to indemnify such persons under circumstances for liabilities (including reimbursement for expenses incurred) arising under the Securities Act. Our certificate of incorporation and bylaws provide for indemnification of our officers, directors, employees and agents to the extent and under the circumstances permitted under the DGCL.

Our certificate of incorporation includes a provision that eliminates the personal liability of directors for monetary damages for actions taken as a director, except for liability:

- for any breach of the director's duty of loyalty to us or our stockholders;
- for acts or omissions by the director not in good faith or which involve intentional misconduct or a knowing violation of law;
- for declaring dividends or authorizing the purchase or redemption of shares in violation of Delaware law; or
- for transactions where the director derived any improper personal benefit.

Our bylaws provide that we must indemnify our directors and officers to the fullest extent authorized by the DGCL. We are also expressly authorized to carry directors' and officers' insurance providing indemnification for our directors, officers and certain employees for some liabilities. We believe that these indemnification provisions and insurance are useful to attract and retain qualified directors and officers.

The limitation of liability and indemnification provisions in our certificate of incorporation and bylaws may discourage stockholders from bringing a lawsuit against directors for breach of their fiduciary duty. These provisions may also have the effect of reducing the likelihood of derivative litigation against directors and officers, even though such an action, if successful, might otherwise benefit us and our stockholders.

There is currently pending no material litigation or proceeding involving any of our directors, officers or employees for which indemnification is sought.

**Item 16. Exhibits.**

The exhibits to this registration statement are listed in the exhibit index, which appears elsewhere herein and is incorporated herein by reference.

**Item 17. Undertakings.**

The undersigned registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
  - (i) To include any prospectus required by Section 10(a)(3) of the Securities Act;
  - (ii) To reflect in the prospectus any facts or events arising after the effective date of this registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and
  - (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

*Provided, however, That:* Paragraphs (1)(i), (1)(ii) and (1)(iii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the SEC by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

- (2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (4) That, for the purpose of determining liability under the Securities Act to any purchaser:
  - (i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and
  - (ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration

statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof. *Provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

- (5) That, for the purpose of determining liability of the registrant under the Securities Act to any purchaser in the initial distribution of the securities: the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:
- (i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;
  - (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;
  - (iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and
  - (iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.
- (6) That, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the indemnification provisions described herein, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

Board of Directors  
Limoneira Company  
1141 Cummings Road  
Santa Paula, California 93060

Ladies and Gentleman:

We have acted as counsel to Limoneira Company, a Delaware corporation (the "Company"), in connection with a Registration Statement on Form S-3 (the "Registration Statement") filed by the Company with the Securities and Exchange Commission (the "Commission") relating to the proposed sale by the Company from time to time of shares of its common stock, par value \$0.01 per share (the "Common Stock"), having an aggregate offering price of up to \$150,000,000.

The Common Stock may be issued and sold or delivered from time to time as set forth in the Registration Statement, any amendment thereto, the prospectus contained therein (the "Prospectus") and any supplements thereto.

We have examined such documents, including the resolutions of the Board of Directors of the Company adopted on May 19, 2020 (the "Resolutions"), and have reviewed such questions of law, as we have considered necessary and appropriate for the purposes of our opinion set forth below. In rendering our opinions set forth below, we have assumed the authenticity of all documents submitted to us as originals, the genuineness of all signatures and the conformity to authentic originals of all documents submitted to us as copies.

We have also assumed the legal capacity for all purposes relevant hereto of all natural persons and, with respect to all parties to agreements or instruments relevant hereto other than the Company, that such parties had the requisite power and authority (corporate or otherwise) to execute, deliver and perform such agreements or instruments, that such agreements or instruments have been duly authorized by all requisite action (corporate or otherwise), executed and delivered by such parties and that such agreements or instruments are the valid, binding and enforceable obligations of such parties. As to questions of fact material to our opinion, we have relied upon certificates of officers of the Company and of public officials. Capitalized terms used herein and not otherwise defined herein shall have the meanings assigned to them in each form incorporated by reference as exhibits to the Registration Statement.

Based on the foregoing, we are of the opinion that when the terms of the issuance and sale of the Common Stock have been duly authorized by the Company and the Common Stock has been duly issued and sold against payment of the purchase price thereof and issued and sold as contemplated in the Registration Statement and any applicable prospectus supplement relating thereto, the Common Stock will be validly issued, fully paid, and non-assessable.

In rendering the opinion set forth above, we have assumed that, at the time of the authentication and delivery of Common Stock, the Resolutions referred to above will not have been modified or rescinded, there will not have occurred any change in the law affecting the authorization, execution, delivery, validity or enforceability of the Common Stock, the Registration Statement will have been declared effective by the Commission and will continue to be effective, none of the particular terms of the Common Stock will violate any applicable law and neither the issuance and sale thereof nor the compliance by the Company with the

terms thereof will result in a violation of any agreement or instrument then binding upon the Company or any order of any court or governmental body having jurisdiction over the Company. We have also assumed there will be a sufficient number of authorized shares of Common Stock available at the time of issuance of the Common Stock as contemplated by the Registration Statement and any applicable prospectus supplement.

Our opinion expressed above is limited to the Delaware General Corporation Law (including the applicable provisions of the Delaware Constitution and reported judicial decisions interpreting those laws) and the federal laws of the United States of America.

This opinion speaks only as of the date hereof. We expressly disclaim any responsibility to advise you of any development or circumstance of any kind, including any change of law that may occur after the date of this opinion letter that might affect the opinion expressed herein.

We hereby consent to your filing this opinion as an exhibit to the Registration Statement and to the reference to our firm under the caption "Legal Matters" contained in the Prospectus included therein.

Very truly yours,

/s/ Squire Patton Boggs (US) LLP
