PROXY STATEMENT FOR ANNUAL MEETING OF STOCKHOLDERS

This proxy statement is furnished in connection with the solicitation of proxies by the Board of Directors of Limoneira Company, a Delaware corporation, for the 2012 Annual Meeting of Stockholders, to be held on Tuesday, March 27, 2012 at 10:00 a.m., Pacific Time, at the Museum of Ventura County Agriculture Museum, 926 Railroad Avenue, Santa Paula, California 93060 and for any adjournments or postponements of the 2012 Annual Meeting of Stockholders. We refer to the 2012 Annual Meeting of Stockholders as the Annual Meeting. The notice of Annual Meeting, proxy statement and proxy are first being mailed or provided to stockholders on or about February 24, 2012.

- to elect four (4) directors to the Board of Directors, each to serve for a three-year term;
- to vote on a proposal to ratify the selection of Ernst & Young, LLP to serve as the independent auditor for the Company for the fiscal year ending October 31, 2012;

ATTENDING AND VOTING AT THE ANNUAL MEETING

Computershare Limited, which we refer to as Computershare, has been selected as our inspector of election. As part of its responsibilities, Computershare is required to independently verify that you are a stockholder of the Company eligible to attend the Annual Meeting and to determine whether you may vote in person at the Annual Meeting. Therefore, it is very important that you follow the instructions below to gain entry to the Annual Meeting.

Check-in Procedure for Attending the Annual Meeting

Stockholders of Record. The documents you will need to provide to be admitted to the Annual Meeting depend on whether you are a stockholder of record or you represent a stockholder of record.

- *Individuals.* If you are a stockholder of record holding shares in your own name, you must bring to the Annual Meeting a form of government-issued photo identification (e.g., a driver's license or passport). Trustees who are individuals and named as stockholders of record are in this category.
- *Individuals Representing a Stockholder of Record.* If you attend on behalf of a stockholder of record, whether such stockholder is an individual, corporation, trust or partnership:
 - you must bring to the Annual Meeting a form of government-issued photo identification (e.g., a driver's license or passport); AND
 - either:
 - you must bring to the Annual Meeting a letter from that stockholder of record authorizing you to attend the Annual Meeting on their behalf; OR
 - we must have received **by 5:00 p.m., Pacific Time, on March 23, 2012** a duly executed proxy card from the stockholder of record appointing you as proxy.

Beneficial Owners. If your shares are held by a bank or broker (often referred to as "holding in street name") you should go to the "Beneficial Owners" check-in area at the Annual Meeting. Because you hold in street name, your name does not appear on the share register of the Company. The documents you will need to provide to be admitted to the Annual Meeting depend on whether you are a beneficial owner or you represent a beneficial owner.

- *Individuals.* If you are a beneficial owner, you must bring to the Annual Meeting:
 - a form of government-issued photo identification (e.g., a driver's license or passport); AND
 - either:
 - a legal proxy that you have obtained from your bank or broker; OR
 - your most recent brokerage account statement or a recent letter from your bank or broker showing that you own shares of the Company.
- *Individuals Representing a Beneficial Owner.* If you attend on behalf of a beneficial owner, you must bring to the Annual Meeting:
 - a letter from the beneficial owner authorizing you to represent such beneficial owner's shares at the Annual Meeting; AND
 - the identification and documentation specified above for individual beneficial owners.

TABLE OF CONTENTS

Voting in Person at the Annual Meeting

Stockholders of Record. Stockholders of record may vote their shares in person at the Annual Meeting by ballot. Each proposal has a separate ballot. You must properly complete, sign, date and return the ballots to the inspector of election at the Annual Meeting to vote in person. To receive ballots, you must bring with you the documents described below:

- *Individuals.* You will receive ballots at the check-in table when you present your identification. If you have already returned your proxy card to us and do not want to change your votes, you do not need to complete the ballots. If you do complete and return the ballots to us, your proxy card will be automatically revoked.
- *Individuals Voting on Behalf of Another Individual.* If you will vote on behalf of another individual who is a stockholder of record, we must have received **by 5:00 p.m., Pacific Time, on March 23, 2012** a duly executed proxy card from such individual stockholder of record appointing you as his or her proxy. If we have received the proxy card, you will receive ballots at the check-in table when you present your identification.
- *Individuals Voting on Behalf of a Legal Entity.* If you represent a stockholder of record that is a legal entity, you may vote that legal entity's shares if it authorizes you to do so. The documents you must provide to receive ballots at the check-in table depend on whether you are representing a corporation, trust, partnership or other legal entity.
 - *If you represent a corporation:*
 - you must bring to the Annual Meeting a letter or other document from the corporation, on the corporation's letterhead and signed by an officer of the corporation, that authorizes you to vote the corporation's shares on its behalf; OR
 - we must have received **by 5:00 p.m., Pacific Time, on March 23, 2012** a duly executed proxy card from the corporation appointing you as its proxy.
 - *If you represent a trust, partnership or other legal entity,* we must have received **by 5:00 p.m., Pacific Time, on March 23, 2012** a duly executed proxy card from the legal entity appointing you as its proxy. A letter or other document will not be sufficient for you to vote on behalf of a trust, partnership or other legal entity other than a corporation.

Beneficial Owners. If you hold your shares in street name, these proxy materials are being forwarded to you by your bank, broker or their appointed agent. Because your name does not appear on the share register of the Company, you will not be able to vote in person at the Annual Meeting unless you request a legal proxy from your bank or broker and bring it with you to the Annual Meeting.

- *Individuals.* As an individual, the legal proxy will have your name on it. You must present the legal proxy at check-in to the inspector of election at the Annual Meeting to receive your ballots.
- *Individuals Voting on Behalf of a Beneficial Owner.* Because the legal proxy will not have your name on it, to receive your ballots you must bring to the Annual Meeting a letter from the person or entity named on the legal proxy that authorizes you to vote its shares at the Annual Meeting.

APPOINTMENT OF PROXY

Stockholders of Record. We encourage you to appoint a proxy to vote on your behalf by promptly submitting the enclosed proxy card, which is solicited by the Board of Directors, which we refer to as the Board or our Board, and which, when properly completed, signed, dated and returned to us, will ensure that your shares are voted as you direct. We strongly encourage you to return your completed proxy to us regardless of whether you will attend the Annual Meeting to ensure that your vote is represented at the Annual Meeting.

PLEASE RETURN YOUR PROXY CARD TO US IN THE ACCOMPANYING ENVELOPE NO LATER THAN 5:00 PM, PACIFIC TIME, ON MARCH 23, 2012. IF WE DO NOT RECEIVE YOUR PROXY CARD BY THAT TIME, YOUR PROXY WILL NOT BE VALID. IN THIS CASE, UNLESS YOU ATTEND THE ANNUAL MEETING, YOUR VOTE WILL NOT BE REPRESENTED.

The persons named in the proxy card have been designated as proxies by our Board. The designated proxies are officers of the Company. They will vote as directed by the completed proxy card.

Stockholders of record may appoint another person to attend the Annual Meeting and vote on their behalf by crossing out the board-designated proxies, inserting such other person's name on the proxy card and returning the duly executed proxy card to us. When the person you appoint as proxy arrives at the Annual Meeting, the inspector of election will verify such person's authorization to vote on your behalf by reference to your proxy card. If you would like to appoint a person as proxy other than those designated by our Board, you must do so by using the proxy card, as described above.

If you wish to change your vote, you may do so by revoking your proxy before the Annual Meeting. Please see "—Revocation of Proxy" below for more information.

Beneficial Owners. If you hold your shares in street name, these proxy materials are being forwarded to you by your bank, broker or its appointed agent. You should also have received a voter instruction card instead of a proxy card. Your bank or broker will vote your shares as you instruct on the voter instruction card. We strongly encourage you to promptly complete and return your voter instruction card to your bank or broker in accordance with its instructions so that your shares are voted. As described above, you may also request a legal proxy from your bank or broker to vote in person at the Annual Meeting.

Voting by the Designated Proxies

The persons who are the designated proxies will vote as you direct in your proxy card or voter instruction card. Please note that proxy cards returned without voting directions, and without specifying a proxy to attend the Annual Meeting and vote on your behalf, will be voted by the proxies designated by our Board in accordance with the recommendations of our Board. Our Board recommends:

- a vote **FOR** each of the four (4) nominees for director, each to serve for a three-year term (Proposal 1);
- a vote **FOR** the proposal to ratify the selection of Ernst & Young, LLP as the Company's independent auditor for the fiscal year ending October 31, 2012 (Proposal 2);
- a vote **FOR** the approval, on an advisory basis, of the compensation of Named Executive Officers (Proposal 3); and
- a vote **FOR** the proposal to approve the Limoneira Company Amended and Restated 2010 Omnibus Incentive Plan (Proposal 4).

If any other matter properly comes before the Annual Meeting, your proxies will vote on that matter in their discretion.

Revocation of Proxy

You may revoke or change your proxy before the Annual Meeting by:

- sending us a duly executed written notice of revocation prior to the Annual Meeting;
- attending the Annual Meeting and voting in person; OR
- ensuring that we receive from you, **prior to 5:00 p.m., Pacific Time, on March 23, 2012** a new proxy card with a later date.

TABLE OF CONTENTS

Any written notice of revocation must be sent to the attention of Joseph D. Rumley, Chief Financial Officer, Treasurer and Corporate Secretary, Limoneira Company, 1141 Cummings Road, Santa Paula, California 93060 or by facsimile to (805) 525-8211.

APPROVAL OF PROPOSALS AND SOLICITATION

Each stockholder who owned shares of stock on February 17, 2012, the record date for the determination of stockholders entitled to vote at the Annual Meeting, is entitled to one vote for each share of common stock and ten votes for each share of Series B Convertible Preferred Stock. On February 17, 2012, we had 11,204,561 shares of common stock and 30,000 shares of Series B Convertible Preferred Stock issued and outstanding that were held by more than 1,700 beneficial holders.

Quorum

Under the Bylaws of the Company, as amended, which we refer to as the Bylaws, the stockholders present in person or by proxy holding a majority of the outstanding shares of stock entitled to vote shall constitute a quorum at a meeting of stockholders of the Company. Holders of shares of common stock and Series B Convertible Preferred Stock are the only stockholders entitled to vote at the Annual Meeting. Shares represented by proxies that are marked “abstain” will be counted as shares present for purposes of determining the presence of a quorum. Shares of stock entitled to vote that are represented by broker non-votes will be counted as shares present for purposes of determining the presence of a quorum. A broker non-vote occurs when the broker holding shares for a beneficial owner does not vote on a particular proposal because the broker does not have discretionary voting power to vote on that proposal without specific voting instructions from the beneficial owner. Proposals 1, 3 and 4 described in this proxy statement are non-discretionary items and Proposal 2 described in this proxy statement is a discretionary item.

If the persons present or represented by proxies at the Annual Meeting do not constitute a majority of the holders of outstanding stock entitled to vote as of the record date, we will postpone the Annual Meeting to a later date.

Approval of Proposals

- a) *Election of Directors.* For the election of Class I directors (Proposal 1), in accordance with the Bylaws, the affirmative vote of at least a plurality of the votes cast on such proposal is required. For the election of directors, you may elect to cumulate your vote. Cumulative voting will allow you to allocate among the director nominees, as you see fit, the total number of votes equal to the number of director positions to be filled multiplied by the number of votes to which you are entitled. For example, if you own 100 shares of common stock and there are 4 directors to be elected at the Annual Meeting, you may allocate 400 “FOR” votes (4 times 100) among as few or as many of the 4 nominees to be voted on at the Annual Meeting as you choose. You may not cumulate your votes against a nominee. If you are a stockholder of record and choose to cumulate your votes, you will need to submit a proxy card or, if you vote in person at the Annual Meeting, submit a ballot and make an explicit statement of your intent to cumulate your votes, either by so indicating in writing on the proxy card or by indicating in writing on your ballot when voting at the Annual Meeting. If you hold shares beneficially through a broker, trustee or other nominee and wish to cumulate votes, you should contact your broker, trustee or nominee. If you vote by proxy card or voting instruction card and sign your card with no further instructions, Harold S. Edwards and Joseph D. Rumley, as proxy holders, may cumulate and cast your votes in favor of the election of some or all of the applicable nominees in their sole discretion, except that none of your votes will be cast for any nominee as to whom you vote against or abstain from voting. Cumulative voting applies only to the election of directors. For all other matters, each share of common stock outstanding as of the close of business on the record date for the Annual Meeting is entitled to one vote and each share of Series B Convertible Preferred stock is entitled to ten votes.
- b) *Ratification of Independent Auditor.* For the approval of the proposal to ratify the selection of Ernst & Young, LLP as the independent auditor for the Company (Proposal 2), the affirmative vote of at least a majority of the outstanding shares present in person or represented by proxy at the Annual Meeting is required. An abstention will not be counted as a vote cast.

TABLE OF CONTENTS

- c) *Approval of Compensation of Named Executive Officers.* For the approval, by advisory vote, of the compensation of Named Executive Officers (Proposal 3), the affirmative vote of at least a majority of the outstanding shares present in person or represented by proxy at the Annual Meeting is required. An abstention will not be counted as a vote cast.
- d) *Approval of the Limoneira Company Amended and Restated 2010 Omnibus Incentive Plan.* For the approval of the Limoneira Company Amended and Restated 2010 Omnibus Incentive Plan (Proposal 4), the affirmative vote of at least a majority of the outstanding shares present in person or represented by proxy at the Annual Meeting is required. An abstention will not be counted as a vote cast.
- e) *Other Matters.* With the exception of certain business combinations, as described in Article Seventeen of the Company's Certificate of Incorporation, as amended, which we refer to as the Certificate of Incorporation, any other proposal that properly comes before the Annual Meeting must be approved by the affirmative vote of at least a majority of the outstanding shares present in person or represented by proxy at the Annual Meeting. An abstention will not be counted as a vote cast.

All votes will be tabulated by Computershare, the proxy tabulator and inspector of election appointed for the Annual Meeting. Computershare will separately tabulate affirmative and negative votes, abstentions and broker non-votes.

Proposal 2 is a discretionary item. Brokers that do not receive instructions from beneficial owners may vote your shares in their discretion. Proposals 1, 3 and 4 are non-discretionary items and brokers may not vote on the proposals without specific voting instructions from beneficial owners, resulting in a broker non-vote.

Solicitation of Proxies

We will bear the cost of the solicitation of proxies, including the preparation, printing and mailing of this proxy statement and the proxy card. We have also retained Computershare to distribute copies of these proxy materials to banks, brokers, fiduciaries and custodians, or agents holding shares in their names on behalf of beneficial owners so that they may forward these proxy materials to our beneficial owners.

We may supplement the original solicitation of proxies by mail with solicitation by telephone, telegram and other means by directors, officers and/or employees of the Company. We will not pay any additional compensation to these individuals for any such services.

PROPOSAL 1: ELECTION OF DIRECTORS

Board Composition

The Certificate of Incorporation and the Bylaws provide that the number of directors shall be no less than three nor more than ten, with the exact number to be fixed by the Board. The Board has fixed the current number of directors at ten. The Certificate of Incorporation divides the Board into three classes, each class serving for a term ending on the date of the third Annual Meeting following the Annual Meeting at which such director was elected. The terms of each class of directors is set to expire as follows: Class I to expire at the Annual Meeting, Class II to expire at the 2013 Annual Meeting of Stockholders and Class III to expire at the 2014 Annual Meeting of Stockholders. The terms of office of John W. Blanchard, Harold S. Edwards, John W. H. Merriman and Ronald Michaelis, Class I directors, expire at the Annual Meeting and such directors have been nominated for re-election.

You may cumulate your votes for one or more director nominees. If you wish to cumulate your votes, you will need to indicate explicitly your intent to cumulate your votes among the director nominees who will be voted upon at the Annual Meeting. See "APPROVAL OF PROPOSALS AND SOLICITATION — Approval of Proposals — Election of Directors" for more information about how to cumulate your votes.

Our Board has reviewed the materiality of any relationship that each of our directors has with the Company, either directly or indirectly. Based on this review, the Board has determined that the following directors are "independent directors" as defined by the NASDAQ Stock Market Marketplace Rules, which we refer to as the NASDAQ Rules: Messrs. Ronald Michaelis, Allan M. Pinkerton, Robert M. Sawyer, Gordon E. Kimball, Keith W. Renken, John W. Blanchard and John W. H. Merriman.

Election of Directors

The Class I directors will be elected at the Annual Meeting and will serve a term that expires at our 2015 Annual Meeting of Stockholders. The Board has nominated Messrs. John W. Blanchard, Harold S. Edwards, John W. H. Merriman and Ronald Michaelis for re-election as Class I directors. All of the nominees have indicated a willingness to stand for re-election and to serve if re-elected. It is intended that the shares represented by the enclosed proxy will be voted for the election of the above-named nominees. Although it is anticipated that each nominee will be available to serve as a director, should any nominee be unable to serve, the proxies will be voted by the proxy holders in their discretion for another person properly designated. Each nominee recommended by the Board to stockholders was recommended to the Board by the nominating and corporate governance committee. The following paragraphs describe the business experience and education of Messrs. John W. Blanchard, Harold S. Edwards, John W. H. Merriman and Ronald Michaelis.

CORPORATE GOVERNANCE

Code of Ethics

Our Board has adopted a code of ethics that sets forth our commitment to ethical business practices. Our code of ethics applies to our directors, officers and employees, including our Chief Executive Officer and Chief Financial Officer. Our code of ethics is available on our website at www.limoneira.com and in print from us without charge upon request by writing to Investor Relations at Limoneira Company, 1141 Cummings Road, Santa Paula, California 93060.

Board Leadership Structure and Role of Risk Oversight

Generally

The leadership structure of the Board is centered around the concept of an appropriate balance between management and the Board. The Board believes that it is in the best interests of the Company for the Board to make a determination regarding whether or not to separate the roles of Chairman and Chief Executive Officer based upon the circumstances. The Board believes that presently it is in the best interests of the Company that the positions of Chairman and Chief Executive Officer are separate. The Board believes that this separation is presently appropriate as it allows the Chief Executive Officer to focus primarily on leading the day to day operations of the Company while the Chairman can focus on leading the Board in its consideration of strategic issues and monitoring corporate governance, community relations and stockholder issues. To encourage open discussion and communication among the directors, executive sessions of non-management directors are held as necessary.

Our Board also has three key committees: the audit and finance committee, chaired by Keith W. Renken; the compensation committee, chaired by John W.H. Merriman; and the nominating and corporate governance committee, chaired by John W.H. Merriman. Each of these committees plays an important role in the governance and leadership of our Board and each is chaired by an independent director. For additional information regarding these committees, please see “BOARD OF DIRECTORS, EXECUTIVE OFFICERS AND COMMITTEES — Board Meetings and Committees” and for biographies of the chairmen of each of the committees, please see “PROPOSAL 1 ELECTION OF DIRECTORS — Election of Directors.”

Risk Oversight

The Board has delegated certain duties with respect to risk oversight for the Company to the audit and finance committee. One of the audit and finance committee’s purposes under its charter is to evaluate enterprise risk issues. In furtherance of such purpose, the audit and finance committee charter specifically requires the committee to discuss with management, the internal auditor or internal audit service provider, as the case may be, and the independent accountant the Company’s major risk exposures (whether financial, operational or both) and the steps management has taken to monitor and control such exposures, including the Company’s risk assessment and risk management policies. The audit and finance committee reports back to the Board with respect to its assessments.

Certain Relationships and Related Transactions and Director Independence

Policy for Approval of Related Person Transactions

Any transaction required to be disclosed pursuant to Item 404 of Regulation S-K, which we refer to as related party transactions, must be reviewed and approved for potential conflict of interest by our audit and finance committee, which is comprised entirely of independent directors. The Company may not enter into or engage in any related party transaction without such approval. Details of related party transactions will be publicly disclosed as required by applicable law.

In August 2010, we exercised the investor trigger on \$200,000 of our investment and received the \$200,000 repayment in August 2011. In January 2011, we exercised the investor trigger on the remaining \$100,000 of our investment and received repayment in January 2012 of the \$100,000 investment and an additional \$25,000 since Charlie Kimball was a professional racing driver when the investor trigger was exercised.

Director Independence

Our common stock is currently listed on the NASDAQ Global Market under the ticker symbol “LMNR.” The NASDAQ Rules require that a majority of our Board be independent. Our Board has reviewed the materiality of any relationship that each of our directors has with the Company, either directly or indirectly. Kimball, John W. H. Merriman, Ronald L. Michaelis, Allan M. Pinkerton, Keith W. Renken and Robert M. Sawyer. Nominations of Directors and Diversity

Nominations of Directors

As provided in its charter, available on our website at www.limoneira.com, the nominating and corporate governance committee will assist the Board by evaluating director nominees for election or re-election. In addition, the committee may review candidates for the Board recommended by executive search firms, the Company’s management and other members of the Board who are not members of the committee, as well as candidates recommended by stockholders, in accordance with the following criteria and as discussed in “— Stockholder Nominations of Directors” below.

The nominating and corporate governance committee, in evaluating director nominees, regardless of whether the Board, management or a stockholder nominated such nominee, may consider some or all of the following factors:

- the candidate’s judgment, skill, and experience with other organizations of comparable purpose, complexity and size, and subject to similar legal restrictions and oversight;
- the interplay of the candidate’s experience with the experience of other directors;

TABLE OF CONTENTS

- the extent to which the candidate would be a valuable addition to the Board and any committees thereof;
- whether or not the person has any relationships that might impair his or her independence, including any business, financial or family relationships with the Company's management; and
- the candidate's ability to contribute to the effective management of the Company, taking into account the needs of the Company and such factors as the individual's experience, perspective, skills and knowledge of the industries in which the Company operates.

In evaluating candidates for election as directors, the nominating and corporate governance committee will also take into consideration the need for the Board to have a majority of directors that are independent under the requirements of the NASDAQ Rules and other applicable laws.

In addition, the nominating and corporate governance committee will consider in its evaluation of candidates for election as directors based on the following criteria and qualifications:

- *Leadership Experience.* Such person should possess significant leadership experience, such as experience in business, finance/accounting, law, education or government, and shall possess qualities reflecting a proven record of accomplishment and ability to work with others.
- *Commitment to the Company's Values.* Such person shall be committed to promoting our financial success and preserving and enhancing our reputation and shall be in agreement with our values as embodied in our code of ethics.

The Board, as assisted by the nominating and corporate governance committee, seeks and recommends candidates for election or re-election with differences of viewpoint, professional experience, education, skill and other individual qualities. The nominating and corporate governance committee charter provides that the committee endeavor to solicit as director candidates individuals possessing skills and talents which would complement the skills and talents of the Company's existing directors. In addition, before recommending that the Board nominate each new director candidate or re-nominate each incumbent director, the nominating and corporate governance committee assesses each individual's contributions, including the value of his or her experience as a director of the Company, the availability of new director candidates who may offer unique contributions and the Company's changing needs.

Diversity

Although the Board does not have a formal policy regarding diversity, the nominating and corporate governance committee's evaluation of director nominees includes consideration of their ability to contribute to the diversity of personal and professional experiences, opinions, perspectives and backgrounds on the Board. Nominees are not discriminated against on the basis of race, color, religion, sex, ancestry, national origin, sexual orientation, disability or any other basis prescribed by law. The nominating and corporate governance committee will assess the effectiveness of this approach as part of its review of the Board's composition as well as in the course of the Board's and nominating and corporate governance committee's self-evaluation.

COMPENSATION DISCUSSION AND ANALYSIS

The following Compensation Discussion and Analysis should be read in conjunction with the Summary Compensation Table and related tables that are presented elsewhere in this proxy statement.

Executive Summary

Compensation for our executives and key employees is designed to attract and retain people who share our vision and values and who can consistently perform in such a manner that enables the Company to achieve its strategic goals. The compensation committee believes that the total compensation package for each of the Named Executive Officers is competitive with the market, thereby allowing us to retain executive talent capable of leveraging the skills of our employees and our unique assets in order to increase stockholder value.

For fiscal year 2010, cash-based awards were granted pursuant to our Management Incentive Plan and equity-based awards were granted pursuant to our Stock Grant Performance Bonus Plan, both of which we adopted before we became a public company. In 2010, we adopted the Limoneira Company 2010 Omnibus Incentive Plan, which we refer to as the 2010 Omnibus Incentive Plan, pursuant to which we may award cash-based and equity-based incentive compensation beginning in fiscal year 2011. On January 24, 2012, the Board approved certain amendments to the 2010 Omnibus Incentive Plan, to ensure compliance with compensation related to Sections 162(m) and 409A of the Code. Approval of The Limoneira Company Amended and Restated 2010 Omnibus Incentive Plan, which we refer to as the Amended and Restated Plan, is the subject of Proposal 4.

The Company's Named Executive Officers refers to those executive officers identified in the Summary Compensation Table below. Our Named Executive Officers for fiscal year 2011 were: Harold Edwards, President and Chief Executive Officer; Joseph Rumley, Chief Financial Officer, Treasurer and Corporate Secretary; and Alex Teague, Senior Vice President.

Our executive compensation program is designed to attract and retain individuals with the skills required to enable the Company to achieve its strategic goals. The program seeks to remain competitive with the market while also aligning the executive compensation program with stockholder interests through the following types of compensation: (i) base salary; (ii) annual cash-based incentive bonuses; (iii) annual equity-based incentive bonuses; and (iv) other compensation consisting of retirement and other benefits.

Key Executive Compensation Objectives

The compensation policies developed by the compensation committee are based on the philosophy that compensation should reflect both the Company's performance, financially and operationally, and the individual performance of the executive. The compensation committee's objectives when setting compensation for our Named Executive Officers include:

- Setting compensation levels that are sufficiently competitive such that they will motivate and reward the highest quality individuals to contribute to our goals, objectives and overall financial success. This is done in part through reviewing and comparing the compensation of other companies in our industry.
- Retaining executives and encouraging their continued quality service, thereby encouraging and maintaining continuity of the management team. Our competitive base salaries combined with cash and equity incentive bonuses, and the long term incentives through our retirement plans and the vesting requirements of our equity-based incentive bonuses, encourage high-performing executives to remain with the Company.
- Incentivizing executives to appropriately manage risks while attempting to improve our financial results, performance and condition. Our cash-based and equity-based incentive plans set company-specific and individual goals for executives to ensure the executives are compensated in accordance with the Company's performance.
- Aligning executive and stockholder interests. The compensation committee believes the use of equity compensation as a key component of executive compensation is a valuable tool for aligning the interests of our Named Executive Officers with those of our stockholders.

TABLE OF CONTENTS

- Obtaining tax deductibility whenever appropriate. The compensation committee believes tax-deductibility for the Company is generally a favorable feature for an executive compensation program, from the perspectives of both the Company and the stockholders. The 2010 Omnibus Incentive Plan and the Amended and Restated Plan have provisions relating to tax withholding and compliance with Section 409A of the Code to ensure executives are obtaining favorable tax treatment.

Key Compensation Decisions and Developments for Fiscal Year 2011

- Base Pay. During fiscal year 2011, our Chief Executive Officer received a 6% increase in base pay. There were no other increases in base pay with respect to Named Executive Officers.
- Cash-Based Incentive Compensation. Cash-based incentive compensation bonuses were not granted to our Named Executive Officers for fiscal year 2011.
- Equity-Based Incentive Compensation. The fiscal year 2011 potential target incentive payouts for all Named Executive Officers were 133% of pre-tax base salary. However, based on the Company's performance in fiscal year 2011 compared to the performance goals established at the beginning of the fiscal year, no equity-based incentive compensation payouts were approved by the compensation committee.

Peter Dinkler, the former Vice President of Lemon Packing, became ineligible to participate in the cash-based and equity-based incentive compensation upon his retirement in February 2011.

General Objectives of the Compensation Program

The compensation program for our Named Executive Officers is designed to align management's incentives with the interests of our stockholders and to be competitive with comparable employers. Our compensation philosophy recognizes the value of rewarding our Named Executive Officers for their past performance and motivating them to continue to excel in the future. The compensation committee has developed and maintains a compensation program that rewards superior performance of both the Company and of each individual executive, and seeks to encourage actions that drive our business strategy. Our compensation strategy is to provide a competitive opportunity for senior executives taking into account their total compensation packages, which include a combination of base salary, an annual cash-based incentive bonus, an annual equity-based incentive bonus and certain perquisites. At the Named Executive Officer level, our incentive compensation arrangements are designed to reward the achievement of year-to-year operating performance goals.

Oversight of Executive Compensation

The Role of the Compensation Committee in Setting Compensation. During fiscal year 2011, our compensation committee had the authority to determine our compensation philosophy and our Board had the primary authority to determine the compensation for our executive officers. Our President and Chief Executive Officer's total compensation was recommended by the compensation committee and approved by our Board. According to the compensation committee charter, the compensation committee will have the authority to determine the compensation of our executive officers in light of individual and corporate achievements. During the first quarter of each fiscal year, the compensation committee establishes performance goals for cash-based and equity-based incentive compensation for each of the Named Executive Officers and, at the end of that fiscal year, determines the level of attainment of those established goals.

The Role of Executives in Setting Compensation. Each Named Executive Officer and other senior executive management team members participate in an annual performance review with our President and Chief Executive Officer or other Named Executive Officer to provide input about his or her contributions to our success for the period being assessed.

Benchmarking

When making compensation-related decisions, the compensation committee believes it is important to be informed as to the current practices of other companies in our industry and to set compensation levels for our executive officers that are sufficiently competitive with such companies. As a result, in determining compensation levels for our Named Executive Officers and for purposes of determining any potential payments to our Named Executive Officers under our annual cash-based and equity-based incentive bonus programs, the compensation committee periodically reviews and compares available salary and incentive bonus information of other companies. As a part of such review and comparison, the compensation committee uses internally prepared surveys and other publicly and privately available information to compare each component of the Company's compensation program to the compensation paid to equivalent executive officers at such companies, with a goal of setting sufficiently competitive compensation levels for each of our executive officers. The compensation committee determined that it was not necessary to perform compensation benchmarking relative to the Company's executive officers for fiscal year 2011 compensation. As noted at the end of this Compensation Discussion and Analysis, under the section entitled Revisions to Compensation Methodology for Fiscal Year 2012, the Company engaged a compensation consultant to assist management and the compensation committee with evaluating its compensation programs and methodology, a component of which included benchmarking activities.

Elements of Compensation

The material elements of the compensation program for our Named Executive Officers include: (i) base salary; (ii) annual cash-based incentive bonuses; (iii) annual equity-based incentive bonuses; and (iv) other compensation consisting of retirement and other benefits.

Base Salaries. We provide our Named Executive Officers with a base salary to compensate them for services rendered during the fiscal year and sustained performance. The purpose of the base salary is to reflect job responsibilities, value to us and competitiveness of the market. Salaries for our Named Executive Officers are determined by the compensation committee based on the following factors: nature and responsibility of the position and, to the extent available, salary norms for comparable positions; the expertise of the individual executive; the competitiveness of the market for the executive's services; and the recommendations of our President and Chief Executive Officer. The compensation committee believes that the base salary of each of the Named Executive Officers is, particularly in light of each of their total compensation packages, competitive with the market.

Annual Performance Cash-Based Incentive Bonuses. Our practice is to award annual cash-based incentive bonuses based upon the achievement of performance objectives established by the compensation committee at the beginning of each year. The President and Chief Executive Officer and the other Named Executive Officers recommend to the compensation committee performance objectives that, in their respective opinions, will best move the Company forward and achieve the Company's short-term and long-term strategic goals and maximize stockholder value.

Each of our Named Executive Officers is eligible to receive an annual cash-based incentive bonus in an amount up to a target percentage of his base salary based on the achievement of both pre-determined operating results and individual goals, subject to the negative discretion of our compensation committee. The target percentage is based on a graduated scale beginning at 5% of a participant's annual salary. 60% of the annual cash-based incentive bonus is based upon the achievement of pre-determined operating results and 40% is based upon the achievement of individual goals recommended by the President and Chief Executive Officer and approved by our compensation committee.

Any bonuses earned under the program in respect of a fiscal year are paid in the following fiscal year. For fiscal year 2011, our Named Executive Officers were eligible to receive a cash-based incentive bonus in an amount up to 5% of their respective base salaries if the Company achieved pre-tax earnings of at least \$3.25 million and their respective individual goals were achieved. The maximum amount of the cash-based incentive bonus for fiscal year 2011 increased by 2.5% for each additional \$250,000 increment of pre-tax earnings over \$3.25 million, with each of our Named Executive Officers being eligible to receive a cash bonus in an amount up to 100% of their respective base salaries if the Company achieved pre-tax earnings equal to \$12.75 million and their respective individual goals were achieved. Based on our overall financial performance

TABLE OF CONTENTS

in fiscal year 2011, our compensation committee did not award a cash bonus to any of our Named Executive Officers for fiscal year 2011.

Annual Performance Equity-Based Incentive Bonuses. It is our objective to have a substantial portion of each Named Executive Officer's compensation contingent upon overall corporate and segment performance as well as upon his own level of performance and contribution towards such corporate performance. Our compensation committee believes that equity-based annual incentives for the achievement of defined objectives create value for the Company and aligns the executive's compensation with the interests of our stockholders. The compensation committee established overall corporate goals with a view towards establishing such goals that are challenging to achieve, and, at the end of the applicable fiscal year, determines the level of attainment of those established goals and the contribution of each executive towards achieving them. Each of Messrs. Edwards, Teague and Rumley are eligible to receive a number of shares of our common stock not to exceed an aggregate fair market value of 133% of their then current base salary if we achieve pre-tax earnings and cash provided from operations greater than 110% of the average for the preceding four years. 70% of the equity-based incentive bonus is based upon increasing our pre-tax earnings to an amount greater than 110% of the average for the preceding four years and 30% is based upon increasing cash provided from operations to an amount greater than 110% of the average for the preceding four years. Shares granted under the Stock Grant Performance Bonus Plan vest one-third in the year granted and one-third in each of the following years. In the event that such overall corporate performance goals are obtained, the compensation committee, in its sole discretion, may nevertheless determine not to grant such shares or grant a fewer number of shares depending upon the circumstances. Based on our overall financial performance in fiscal year 2011, our compensation committee did not grant equity-based compensation to any of our Named Executive Officers for fiscal year 2011.

Pursuant to a recommendation by the compensation committee and approval of the Board, in fiscal years 2008 and 2009 the Company made loans to each of Messrs. Edwards and Teague in amounts sufficient to enable them to pay their income tax liabilities associated with grants of stock pursuant to our equity-based incentive bonus program. The Company made three loans to each of Messrs. Edwards and Teague, each in connection with grants of stock for fiscal years 2007 and 2008, in an aggregate principal amount of approximately \$796,070 to Mr. Edwards and approximately \$446,873 to Mr. Teague. Each loan was evidenced by a promissory note that bore interest at the mid-term applicable federal rate then in effect and all principal and interest was due and payable twenty-four months from the date of the applicable promissory note. Each promissory note was secured by a number of shares of our common stock having a value equal to 120% of the amount of the applicable loan on the day it was made. In connection with our registration under the Exchange Act, the compensation committee recommended to the Board, and the Board approved on December 15, 2009, the forgiveness of approximately \$341,174 of principal and accrued interest on the loans made to Mr. Edwards and approximately \$199,823 of principal and accrued interest on the loans made to Mr. Teague. Additionally, each of Messrs. Edwards and Teague received a payment of approximately \$299,528 and \$175,431, respectively, relating to their federal, state and payroll taxes attributable to such loan forgiveness. The unpaid principal and accrued balance of each loan made to Messrs. Edwards and Teague that was not forgiven was satisfied by the delivery of a number of shares of our common stock with a value equal to each applicable unpaid balance, based upon a fair market value of \$150.98 per share, which was the pre-stock split price on the date of the forgiveness. The amounts of the loan forgiveness were recorded by the Company as compensation expense in the first quarter of fiscal year 2010.

Retirement Plans. The compensation committee believes that retirement programs are important to the Company as they contribute to the Company's ability to be competitive with its peers and reward our executive officers based on long-term performance of the Company and, therefore, are an important piece of the overall compensation package for the Named Executive Officers. For all eligible employees, including our Named Executive Officers, we provide a 401(k) plan; others are participants in our defined benefit pension plan.

Until June 2004, our employees and executive officers were eligible to participate in a traditional defined benefit pension plan that was maintained by the Company. Effective June 2004, plan participation and benefits payable under that plan were frozen and, since that time, no new participants have been added to that plan. The only Named Executive Officer who is a participant in our defined benefit pension plan is Harold Edwards. At normal retirement age, Harold Edwards's anticipated monthly payment under this plan would be \$81. Peter Dinkler's monthly payment is currently \$5,005.

TABLE OF CONTENTS

The Company sponsors a defined contribution retirement plan maintained under section 401(k) of the Code. Under the terms of such plan, eligible employees may elect to defer, beginning after one month of employment, up to that amount of their annual earnings permitted to be deferred under the applicable provisions of the Code. In addition to any deferral contributions made by our employees, the Company contributes to the account of each eligible employee with at least one year of qualifying service a matching contribution of up to 4% such employee's annual compensation plus such employee's allocable share of any discretionary employer profit-sharing contribution. Participant deferral contributions and employer matching contributions are 100% vested at the time of contribution, and employer discretionary profit-sharing contributions vest at a rate of 20% per year of service beginning after two years of service, becoming 100% vested upon completion of six years of service. During fiscal year 2011, there were no changes made to our defined contribution plan related to company contributions, contribution limitations, vesting schedules or eligibility requirements.

Nonqualified Deferred Compensation. None of our Named Executive Officers participates in or has account balances in nonqualified defined contribution or other deferred compensation plans maintained by the Company.

Change in Control Benefits. The 2010 Omnibus Incentive Plan, and, if adopted by the stockholders, the Amended and Restated Plan, contain provisions which provide for the vesting of options and stock appreciation rights awarded thereunder, as well as the lapse of restrictions on and vesting of all incentive awards issued thereunder upon a change in control.

Separation or Severance Benefits. None of our Named Executive Officers is covered by any plan or arrangement or has any agreement with us pursuant to which he would receive payments upon his separation of service or termination from employment with the Company.

Perquisites and Other Personal Benefits. The compensation committee reviews annually the perquisites that Named Executive Officers receive. The primary personal benefits for our Named Executive Officers are health and welfare benefits, including, medical, dental, vision and life insurance, in which the Named Executive Officers participate on the same terms as other company employees. In addition, company vehicles are provided to the Named Executive Officers, as well as to other members of management.

Employment Agreements. As of the end of our 2011 fiscal year, the Company was not party to any employment agreements with any of our Named Executive Officers.

Revisions to Compensation Methodology for Fiscal Year 2012

During fiscal year 2011 and the first quarter of fiscal year 2012, management and the compensation committee reviewed our compensation program and methodology. The compensation committee engaged a compensation consultant to assist in evaluating our compensation program and methodology beginning in fiscal year 2012. As a result of the review, certain revisions were made to the cash-based and equity-based elements of our compensation program for our Named Executive Officers, which will be effective in fiscal year 2012. We believe the core design of the program to align management's incentives with the interests of our stockholders and to be competitive with comparable employers was enhanced by the revisions. The following are the primary changes to the program:

Fiscal Year 2012 Annual Performance Cash-Based Incentive Bonuses.

- Cash-based incentive bonuses will be based on the attainment of targeted fiscal year 2012 net income levels instead of pretax income.
- Named Executive Officers will be eligible to receive a cash-based incentive bonus of up to 5% of their respective base salaries in effect on December 31, 2011 if the Company achieves net income of at least \$1.95 million increasing incrementally to a maximum of 100% of their respective salaries if net income is at least \$11.3 million.

TABLE OF CONTENTS

Fiscal Year 2012 Annual Performance Equity-Based Incentive Bonuses

- Equity-based incentives will be based on the attainment of targeted fiscal year 2012 net income levels instead of 110% of the previous four year average of a combination of pretax income and cash provided from operations.
- Named Executive Officers will be eligible to receive a stock grant not to exceed 30% of their respective base salaries in effect on December 31, 2011 if the Company achieves net income of at least \$2.4 million increasing to not to exceed 100% of their respective base salaries in effect on December 31, 2011 if the Company achieves net income of an amount of at least \$6.3 million.
- Equity-based incentives granted for the attainment of targeted fiscal year 2012 net income shall vest 50% one year from the stock grant date during fiscal year 2013 and 50% two years from the stock grant date during fiscal year 2014.

As a component of the compensation review referred to above, the compensation committee evaluated benchmarking data provided by the compensation consultant. A combination of two general industry data base indexes were utilized, which included public companies with revenues between \$30 million and \$200 million.

Shares earned in fiscal year 2010 were issued in fiscal year 2011 and vest one-third in fiscal year 2011, one-third in fiscal year 2012 and one-third in fiscal year 2013. Our Compensation Committee did not grant equity-based compensation to any of our Named Executive Officers for fiscal year 2011. - (2) Amounts shown for fiscal year 2010 reflect cash-based incentive bonuses earned based on fiscal year 2010 performance but paid in fiscal year 2011.

This change can be impacted by, among other things, changes in the assumptions used for the discount rate, long-term rate of return and mortality tables used.
- (4) All Other Compensation consists of, for each of our Named Executive Officers and Mr. Dinkler, loan forgiveness and related federal, state and other payroll taxes during fiscal year 2010 as discussed above under the heading “COMPENSATION DISCUSSION AND ANALYSIS — Elements of Compensation — Annual Performance Equity-Based Incentive Bonuses,” life insurance premiums, profit sharing and matching contributions under our 401(k) plan and personal usage of company vehicles.
- (5) Mr. Edwards does not receive any additional compensation for being a director of the Company.
- (6) Mr. Dinkler, our former Vice President of Lemon Packing, retired in February 2011. We have historically included information for Mr. Dinkler, who reported directly to Mr. Teague. All unvested shares held by Mr. Dinkler vested in fiscal year 2012 pursuant to action by the Compensation Committee.

- (1) See page 22 of the proxy statement, under “COMPENSATION DISCUSSION AND ANALYSIS — Elements of Compensation — Annual Performance Equity-Based Incentive Bonuses,” for a description of our Equity-Based Incentive Bonus Plan. Under our equity-based incentive plan, awards that may be paid out are in the form of the number of shares of our common stock that is derived from a percentage of the Named Executive Officers’ salary. No equity-based incentive was earned with respect to fiscal year 2011 performance.
- (2) These columns show the potential payments for each of our Named Executive Officers and Mr. Dinkler under the Management Incentive Plan with respect to fiscal year 2011 performance. Threshold, target and maximum represent 5%, 20% and 100% of the Named Executive Officers’ and Mr. Dinkler’s annual salaries, respectively. No non-equity incentive plan awards were earned or paid in fiscal year 2011 to Named Executive Officers, except for Mr. Dinkler, who earned \$19,380 for fiscal year 2010 performance, which was paid in fiscal year 2011.
- (3) For fiscal year 2011, each of our Named Executive Officers were eligible to receive, following the end of fiscal year 2011, a number of shares of our common stock not to exceed an aggregate fair market value of 133% of their then current base salary if we achieve pre-tax earnings and cash provided from operations greater than 110% of the average of such measures for the preceding four years. Our Compensation Committee did not grant equity-based compensation to any of our Named Executive Officers for fiscal year 2011. The maximum amount eligible for grant with respect to fiscal year 2011 would have been \$631,110 for Mr. Edwards, \$299,250 for Mr. Rumley and \$365,750 for Mr. Teague.
- (4) All such shares, whether vested or unvested, are considered issued and outstanding on the date of issuance, and our Named Executive Officers and Mr. Dinkler have voting rights with respect to, and receive any dividends on, such shares granted to them. Upon termination of employment, any dividends received by the terminated Named Executive Officer and Mr. Dinkler on unvested shares are for the benefit of, and are to be repaid by such Named Executive Officer and Mr. Dinkler, to the Company.
- (5) The value of stock awards is the aggregate grant date fair value computed in accordance with FASB ASC Topic 718, *Compensation — Stock Compensation*. As described on page 22 of the proxy statement, under “COMPENSATION DISCUSSION AND ANALYSIS — Elements of Compensation — Annual Performance Equity-Based Incentive Bonuses,” equity compensation is generally based on a percentage of the employee’s salary, which was 133% for all Named Executive Officers, and does not include Mr. Dinkler, who retired from the Company in February 2011 and therefore was not eligible for a fiscal year 2011 stock award. Had the threshold and target been met, the Company could have issued the number of shares of common stock equal to the relevant percentage of salary divided by the fair value of such stock on the issue date.
- (6) Mr. Dinkler, the former Vice President of Lemon Packing, became ineligible to participate in the cash-based and equity-based incentive compensation upon his retirement in February 2011

Pension Benefits in Fiscal Year 2011

The Company's defined benefit pension plan is a tax-qualified retirement plan that covers eligible employees of the Company. Effective in June 2004, participation in such plan was frozen so that anyone who was hired by the Company on or after June 2004 is ineligible to participate in such plan. Under the plan, age 65 is considered normal retirement age. Participating employees may retire with benefits as early as age 55 provided they then have at least five years of qualifying service. Normal retirement benefits for a participant are calculated based on such participant's highest average pay over any five consecutive calendar years of employment. The maximum benefit is payable to employees who retire at age 65 with 30 or more years of service and is equal to 65% of such employee's highest average pay less 60% of the applicable participant's estimated annual Social Security benefit. For participating employees who retire at age 65 with less than 30 years of service, their retirement benefit is equal to such maximum benefit amount multiplied by a fraction, the numerator of which is total years of qualifying service and the denominator of which is 30. For participating employees who elect to retire prior to age 65, the benefits under the Company's defined benefit pension plan that would otherwise be payable to them at age 65 are actuarially reduced to account for the longer period they are expected to be receiving payments.

Benefits are paid in the form of a life annuity, with married employees having the option to elect to receive benefit payments in the form of a 50% joint and survivor annuity. Additionally, participating retiring employees may elect a ten-year certain and life optional form of payment, a contingent annuity with a ten-year certain and life optional form of payment or a 100%, 75% or 50% joint and survivor optional form of payment naming someone other than his or her spouse as joint annuitant.

Name	Plan Name		Number of Years Credited Service (#)	Present Value of Accumulated Benefit (\$) ⁽¹⁾	Payments During Last Fiscal Year (\$)
Harold Edwards	Limoneira Company Retirement Plan	(2)	0.5	\$ 5,363	\$ —
Peter Dinkler	Limoneira Company Retirement Plan	(2)	35.24	\$ 687,493	\$ 40,042

(1) Liabilities shown in this column are computed using the projected unit credit method reflecting average salary and service as of the fiscal year end. The material assumptions used to determine these liabilities can be found in the fiscal year end FAS Disclosures Actuarial Valuation Report, except we assumed no pre-retirement decrements and that retirement occurs at the plan's earliest unreduced retirement age.

(2) The plan's benefit formula is integrated with Social Security and is based on the participant's years of service for the Company and final average compensation. Compensation is limited to the applicable limit under Section 401(a)(17) of the Code. The plan benefit is limited to the applicable Internal Revenue Code section 415(b) limit. Only employees hired before June 30, 2004 are eligible to participate in the plan. In addition, eligibility for the plan occurs no later than the completion of 500 hours of service in the first twelve months of employment. Effective June 30, 2004, the plan was frozen. Additional benefit service cannot be earned after June 30, 2004. Early retirement age is the first day of any month after age 55, provided the participant has earned five years of vesting service at the time of retirement.

PROPOSAL 3: ADVISORY VOTE ON EXECUTIVE COMPENSATION

Executive compensation is an important matter to us and to our stockholders. Newly enacted legislation enables our stockholders to vote to approve, on an advisory (non-binding) basis, the compensation of our Named Executive Officers as disclosed in this proxy statement in accordance with the SEC's rules.

As described in detail under the heading "COMPENSATION DISCUSSION AND ANALYSIS," our executive compensation programs are designed to attract, motivate and retain our Named Executive Officers, who are critical to our strategic goals and success. Under our executive compensation program, our Named Executive Officers receive compensation that encourages both near-term and long-term growth and successes through compensation linked to performance standards aimed to increase stockholder value. Please read the Compensation Discussion and Analysis for additional details about our executive compensation programs, including information about the fiscal year 2011 compensation of our Named Executive Officers.

The compensation committee bases its executive compensation decisions on our compensation objectives, which include the following:

- aligning management's incentives with the interests of our stockholders;
- providing competitive compensation to our Named Executive Officers;
- rewarding Named Executive Officers for past performance and motivating them to excel in the future; and
- rewarding superior performance of both the Company and each individual executive and encouraging actions that promote our near-term and long-term strategic goals.

We believe that our existing compensation programs have been effective at motivating our Named Executive Officers to achieve superior performance and successes for us, aligning compensation with performance measures and stockholder interests and enabling us to attract, retain and motivate talented executive officers.

We are asking our stockholders to indicate their support for our Named Executive Officers' compensation as described in this proxy statement. This proposal, commonly known as a "say-on-pay" proposal, gives our stockholders the opportunity to express their views on our Named Executive Officers' compensation. Accordingly, we will ask our stockholders to approve, on an advisory basis, the compensation of the Named Executive Officers, as disclosed in the Company's proxy statement for the Annual Meeting pursuant to the compensation disclosure rules of the SEC, including the Compensation Discussion and Analysis, the Fiscal Year 2011 Summary Compensation Table and the other related tables and disclosures by voting **FOR** the approval of our executive compensation program.

The say-on-pay vote is advisory, and therefore not binding on the Company, the compensation committee or our Board. Our Board and our compensation committee value the opinions of our stockholders and will review and consider the outcome of this advisory vote when making future compensation decisions for our Named Executive Officers and will evaluate whether any actions are necessary.

Recommendation of the Board

The Board recommends that you vote **FOR** the approval of the compensation of our Named Executive Officers.

PROPOSAL 4: APPROVAL OF THE LIMONEIRA COMPANY AMENDED AND RESTATED 2010 OMNIBUS INCENTIVE PLAN

General

The Board has approved and recommends that the stockholders of the Company approve the Amended and Restated Plan. On March 23, 2010, the stockholders of the Company approved the 2010 Omnibus Incentive Plan. On January 24, 2012, the Board approved certain revisions to the 2010 Omnibus Incentive Plan to ensure its compliance with Sections 162(m) and 409A of the Code.

Among other things, the Amended and Restated Plan supersedes and replaces the 2010 Omnibus Incentive Plan on the date the Amended and Restated Plan is approved by the Company's stockholders. If approved by stockholders, new awards will only be made under the Amended and Restated Plan. Awards under the 2010 Omnibus Incentive Plan will remain in effect pursuant to the terms of such plan and the award agreements thereunder. Assuming stockholder approval, all shares under the 2010 Omnibus Incentive Plan will be terminated and no shares under such plan remaining for issuance will be issued.

The Board believes the Amended and Restated Plan is advisable and in the best interest of the Company and its stockholders because it assists in attracting and retaining employees, directors and consultants of the Company and its affiliates, motivates such individuals by means of performance-related incentives to achieve long-range performance goals and enables such individuals to participate in the long-term growth and financial success of the Company. A copy of the Amended and Restated Plan is included with this proxy as Exhibit A.

The affirmative vote by holders of at least a majority of the stock present in person or by proxy at the Annual Meeting and entitled to vote thereon is required to approve this proposal.

Changes in the Amended and Restated Plan

- **Section 162(m).** The Amended and Restated Plan has been revised to ensure documentary and administrative compliance with the Code provision that allows for enhanced tax deductions of performance-based compensation for Named Executive Officers, including compliance with regulations issued in June 2011. Tax deductions of such compensation lower the Company's taxable income and thus reduce taxes legally. The Amended and Restated Plan specifies additional performance criteria; limits discretion in determining extraordinary items to those consistent with changes in specific accounting principles or those consistent with the Company's policies and practices for measuring the achievement of performance goals in effect on the date on which the compensation committee establishes the performance goals; ensures that goals and other determinations are in writing by specific times; and limits the number of grants of specific award types that can be made to individual participants in each year. Among other applicable changes, the Amended and Restated Plan also allows a subcommittee of outside directors of the compensation committee to operate as the committee for Section 162(m) purposes.
- **Section 409A.** The Amended and Restated Plan makes certain technical changes to the 2010 Omnibus Incentive Plan to ensure that not all award agreements must contain certain provisions in satisfaction of Section 409A of the Code, which we refer to as Section 409A. Compliance with Section 409A precludes the application of an additional 20% federal (and in some cases an additional 20% state) tax on employees, independent contractors and directors when plans and agreements do not meet statutory requirements. The Amended and Restated Plan conforms and incorporates into the Amended and Restated Plan certain definitions under Section 409A, including the definition of affiliate, specified employee, separation from service and Section 409A. The Amended and Restated Plan specifically states that no option or stock appreciation right can be granted at less than 100% of fair market value of the Company's stock on the date of grant. The Amended and Restated Plan includes limitations on the ability of the Board to materially increase the benefits of grants that have been made, unless stockholders approve the change. Payments upon changes in control and separation from service must satisfy Section 409A, including the 6-month delay required for specified employees. The Amended and Restated Plan prohibits the deferral of options and stock appreciation rights.

TABLE OF CONTENTS

- Other Changes. Other changes include the ability to use electronic means to deliver the plan and award agreements; clarification of definitions of restricted share and restricted share unit; additions of reference to the book-entry form of shareholding; addition of the \$100,000 limitation and the addition of a definition of 10% stockholder for incentive stock options to the plan, rather than including such in award agreements; requiring employees to give notice regarding disqualifying dispositions of incentive stock options; internal references to limiting sections; and the addition of a designation of beneficiary provision.

Material Terms of the Amended and Restated Plan

The Amended and Restated Plan authorizes the grant of nonqualified stock options, incentive stock options, stock appreciation rights, or SARs, restricted stock, restricted stock units, or RSUs, performance awards, other stock-based awards and performance compensation awards to any employee of, or consultant to, the Company or any of its affiliates (including any prospective employee), or nonemployee director who is a member of the Board or the board of directors of an affiliate of the Company. The following description of the Amended and Restated Plan should be read in conjunction with, and is qualified in its entirety by reference to, the full text of the Amended and Restated Plan, a copy of which is attached to the proxy statement as Exhibit A.

Shares Available for Awards. The number of shares of common stock issuable pursuant to all awards granted under the Amended and Restated Plan shall not exceed 1,000,000, provided that the aggregate number of shares of common stock with respect to which incentive stock options may be granted shall be 800,000. Subject to this overall limitation, individual awards are limited to the following on a per participant basis: (i) the maximum number of shares of common stock with respect to which nonqualified stock options may be granted in any fiscal year is 200,000, (ii) the maximum number of shares of common stock with respect to which SARs may be granted in any fiscal year is 200,000, (iii) the maximum aggregate number of shares of restricted stock in any fiscal year is 500,000, (iv) the maximum aggregate number of restricted stock units in any fiscal year is 500,000, (v) the maximum number of shares awarded or credited with respect to performance awards in any performance period is 500,000 shares determined as of the date of payout (or, if paid in cash, the equivalent cash value thereof) and (vi) the maximum number of other stock-based awards in any fiscal year is 200,000 shares. The number of shares issued or reserved pursuant to the Amended and Restated Plan (or pursuant to outstanding awards) is subject to adjustment as a result of mergers, consolidations, reorganizations, stock splits, stock dividends and other changes in our common stock. Shares subject to awards that have been expired or have been forfeited or cancelled, or settled in cash do not count as shares issued under the Amended and Restated Plan. However, (i) if shares are tendered or otherwise used in payment of the exercise price of any option, the total number of shares covered by the option being exercised shall count as shares issued under the Amended and Restated Plan; (ii) shares withheld by the Company to satisfy a tax withholding obligation shall count as shares issued under the Amended and Restated Plan; and (iii) the number of shares covered by a SAR, to the extent it is exercised and settled in shares, and whether or not shares are actually issued to the participant upon exercise of the SAR, shall be considered issued or transferred pursuant to the Amended and Restated Plan. If, under the Amended and Restated Plan a participant has elected to give up the right to receive compensation in exchange for shares based on fair market value, shares will not count as shares issued under the Amended and Restated Plan.

Administration. The Amended and Restated Plan is administered by the compensation committee. The compensation committee has the full power and authority to determine the individuals to whom awards may be granted under the Amended and Restated Plan, the type or types of awards to be granted to a participant, and the other terms and conditions applicable to awards. The compensation committee is also authorized to interpret the Amended and Restated Plan, to establish, amend and rescind any rules and regulations relating to the Amended and Restated Plan and to make any other determinations that it deems necessary or desirable for the administration of the Amended and Restated Plan. With the exception of certain limitations under Section 409A, all designations, determinations, interpretations, and other decisions under or with respect to the Amended and Restated Plan or any award are within the sole discretion of the compensation committee, may be made at any time and are final, conclusive and binding upon all persons, including the Company, any affiliate, any participant, any holder or beneficiary of any award and any stockholder.

TABLE OF CONTENTS

Options. The compensation committee will determine the participants to whom options will be granted, the number of shares to be covered by each option, the exercise price thereof and the conditions and limitations applicable to the exercise of the option. Incentive stock options may be granted only to employees and are subject to certain other restrictions. To the extent an option intended to be an incentive stock option does not so qualify, it will be treated as a nonqualified option. With respect to exercise price, each option shall have an exercise price which shall not be less than 100% of the fair market value per share on the grant date; provided further that if the option is an incentive stock option granted to a 10% stockholder, the exercise price shall not be less than 110% of the fair market value per share on the grant date. Each option is exercisable at such times and subject to such terms and conditions as the compensation committee determines, and no option shall be exercisable more than ten years from the grant date (or five years in the case of an incentive stock option granted to a 10% stockholder). Payment of the exercise price may be in cash, shares or a combination thereof, as determined by the compensation committee, including an irrevocable commitment by a broker to pay over such amount from a sale of the shares issuable under an option.

U.S. Federal Income Tax Consequences of the Issuance and Exercise of Options. The following is a general summary of the federal income tax treatment of stock options, which are authorized for grant under the Amended and Restated Plan, based upon the provisions of the Code as of the date of this proxy statement. This summary is not intended to be exhaustive and the exact tax consequences to any award holder depend upon his or her particular circumstances and other facts. Participants in the Amended and Restated Plan should consult their tax advisors with respect to any state, local and non-U.S. tax considerations or relevant federal tax implications of options granted under the Amended and Restated Plan.

Incentive Stock Options. An option holder recognizes no taxable income for regular income tax purposes as a result of the grant or exercise of an incentive stock option that qualifies under Section 422 of the Code. Option holders who neither dispose of their shares within two years of the date that the option was granted or within one year following the exercise of the option, normally recognize a capital gain or loss on the sale of the shares equal to the difference, if any, between the sale price and the purchase price of the shares. If an option holder satisfies these holding periods, on the sale of the shares, we are not entitled to any deduction for federal income tax purposes. Where an option holder disposes of shares within two years after the date of grant of those options or within one year after the date of exercise, which we refer to as a disqualifying disposition, the difference between the fair market value of the shares on the exercise date and the option exercise price (which is not to exceed the gain realized on the sale, if the disposition is a transaction with respect to which a loss, if sustained, would be recognized) is taxed as ordinary income at the time of disposition. Any gain in excess of that amount is a capital gain. If a loss is recognized, there is no ordinary income, and such loss is a capital loss. Any ordinary income recognized by the option holder on the disqualifying disposition of the shares generally results in a deduction by the Company for federal income tax purposes.

Nonqualified Stock Options. Options not designated or qualifying as incentive stock options are nonqualified stock options having no special tax status. An option holder generally recognizes no taxable income as a result of the grant of the option. On the exercise of a nonqualified stock option, the option holder normally recognizes ordinary income in the amount of the difference between the option exercise price and the fair market value of the shares on the exercise date. Where the option holder is an employee, such ordinary income generally is subject to withholding of income and employment taxes. On the sale of shares acquired by the exercise of a nonqualified stock option, any gain or loss (based on the difference between the sale price and the fair market value on the exercise date), is taxed as a capital gain or loss. No tax deduction is available to the Company with respect to the grant of a nonqualified stock option or the sale of the stock acquired pursuant to such grant. The Company should generally be entitled to a deduction equal to the amount of ordinary income recognized by the option holder as a result of the exercise of a nonqualified stock option.

Deductibility of Compensation. The Code allows publicly held corporations to deduct compensation that is in excess of \$1 million paid to the corporation's chief executive officer and any of its three other most highly compensated executive officers (other than the chief executive officer and the chief financial officer) if the compensation is payable solely based on the attainment of one or more performance goals and where certain statutory requirements are satisfied. It is intended that compensation arising from awards granted under the Amended and Restated Plan that are based on performance goals, and stock options and stock appreciation

TABLE OF CONTENTS

rights, are to be deductible by us as qualified performance-based compensation not subject to the \$1 million limitation on deductibility under the Code. Despite this, we reserve the right to grant awards under the Amended and Restated Plan that do not result in qualified performance-based compensation and, as such, may not entitle us to a tax deduction.

Stock Appreciation Rights. The compensation committee will determine the participants to whom SARs will be granted, the number of shares to be covered by each SAR, the grant price and the conditions and limitations applicable to the exercise thereof. Generally, each SAR will entitle a participant upon exercise to an amount equal to the excess of the fair market value of a share on the date of exercise of the SAR over the grant price. The compensation committee will determine whether a SAR will be settled in cash, shares or a combination of cash and shares.

Restricted Stock and Restricted Stock Units. The compensation committee may award shares of restricted stock and RSUs. Restricted stock awards consist of shares of stock that are transferred to the participant subject to restrictions that may result in forfeiture if specified conditions are not satisfied. RSUs result in the transfer of shares of cash or stock to the participant only after specified conditions are satisfied. The compensation committee will determine the participants to whom shares of restricted stock and/or the number of restricted stock units to be granted to each participant, the duration of the period during which, and the conditions, if any, under which, the restricted stock and restricted stock units may be forfeited to the company.

Performance Awards. The compensation committee may award performance awards that consist of a right which is (i) denominated in cash or shares, (ii) valued, as determined by the compensation committee, in accordance with the achievement of such performance goals during performance periods established by the compensation committee, and (iii) payable at such time and in such form as determined by the compensation committee. Performance awards may be paid in a lump sum or in installments following the close of the applicable performance periods.

Other Stock-Based Awards. The compensation committee may grant participants other stock-based awards which will consist of any right which is (i) not an award described above and (ii) an award of shares or an award denominated or payable in, valued in whole or in part by reference to, or otherwise based on or related to, shares. The compensation committee will determine the terms and conditions of any such other stock-based award, including the price, if any, at which securities may be purchased pursuant to any other stock-based award granted under the Amended and Restated Plan.

Performance Criteria. With the exception of any award intended to qualify for the performance-based compensation exception under Section 162(m) of the Code, the compensation committee has the authority to determine the performance criteria used to establish performance goals. The performance goals may vary from participant to participant, group to group, and period to period. For those awards intended to qualify for the exception under Section 162(m) of the Code, the performance criteria used for establishing performance goals shall be based on certain enumerated criteria as set for in the Amended and Restated Plan.

Transferability. Awards granted under the Amended and Restated Plan are not transferable other than by will or by the laws of descent and distribution.

Effectiveness of the Amended and Restated Plan; Amendment and Termination. The Amended and Restated Plan will become effective when and if it is approved by the stockholders at the Annual Meeting. The Amended and Restated Plan will remain available for the grant of awards until the tenth anniversary of the effective date. The Board may amend, alter or discontinue the Amended and Restated Plan in any respect at any time so long as such action is in accordance with Section 409A, but no amendment may diminish any of the rights of a participant under any awards previously granted, without his or her consent. In addition, stockholder approval is required for any amendment that (i) would materially increase the benefits accruing the participants under the plan, (ii) would materially increase the number of securities which may be issued under the plan, (iii) would materially modify the requirements for participation in the plan, or (iv) must otherwise be approved by the company's stockholders in order to comply with applicable law or the rules of a national securities exchange upon which the shares are traded.

New Plan Benefits

The future benefits or amounts that will be received by or allocated to each person named under the Amended and Restated Plan are not determinable. Future benefits or amounts to be received by or allocated to each person named will depend on a variety of factors, including fair market value of the Company's stock and the achievement of performance goals set by the compensation committee.

AUDIT & FINANCE COMMITTEE REPORT

Our audit and finance committee is composed of four independent directors, all of whom are financially literate. In addition, the Board has determined that Mr. Renken, an independent director and the chairman of the audit and finance committee, qualifies as an “audit committee financial expert” as defined by the SEC. The audit and finance committee operates under a written charter, which reflects the requirements regarding audit committees under the NASDAQ Rules and The Sarbanes-Oxley Act of 2002. A copy of the audit and finance committee charter is available on the Company’s website at www.limoneira.com.

The audit and finance committee’s primary role is to assist the Board in fulfilling its responsibility for oversight of (1) the quality and integrity of the consolidated financial statements and related disclosures, (2) compliance with legal and regulatory requirements, (3) the independent auditors’ qualifications, independence and performance and (4) the performance of our internal audit and control functions.

The Company’s management is responsible for the preparation of the financial statements, the financial reporting process and the system of internal controls. The independent auditors are responsible for performing an audit of the financial statements in accordance with auditing standards generally accepted in the United States, and issuing an opinion as to the conformity of those audited financial statements to United States generally accepted accounting principles. The audit and finance committee monitors and oversees these processes.

The audit and finance committee has adopted a policy designed to ensure proper oversight of our independent auditor. Under the policy, the audit and finance committee is directly responsible for the appointment, compensation, retention and oversight of the work of any registered public accounting firm engaged for the purpose of preparing or issuing an audit report or performing any other audit review (including resolution of disagreements among management and the auditor regarding financial reporting), or attestation services. In addition, the audit and finance committee is responsible for pre-approving any non-audit services provided by the Company’s independent auditors. The audit and finance committee’s charter also ensures that the independent auditor discusses with the audit and finance committee important issues such as internal controls, critical accounting policies, any instances of fraud and the consistency and appropriateness of our accounting policies and practices.

The audit and finance committee has reviewed and discussed with management and Ernst & Young, LLP, the Company’s independent auditor, the audited financial statements as of and for the year ended October 31, 2011. The audit and finance committee has also discussed with Ernst & Young, LLP the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (Communication with Audit Committees). In addition, the audit and finance committee has received from the independent auditor its written report required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and has discussed with Ernst & Young, LLP its independence from the Company and its management. The audit and finance committee also considered whether the non-audit services provided by Ernst & Young, LLP to us during fiscal year 2011 were compatible with its independence as auditor.

Based on these reviews and discussions, the audit and finance committee has recommended to the Board, and the Board has approved, the inclusion of the audited financial statements in the Company’s Annual Report on Form 10-K for the year ended October 31, 2011.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth the beneficial ownership of our stock as of February 17, 2012, as adjusted to reflect the stock split approved by our stockholders effective as of March 24, 2010, by (i) each person who is known to us to be the beneficial owner of more than 5% of the outstanding shares of our stock, (ii) each director and nominee for director, (iii) our Named Executive Officers, and (iv) all of our directors and officers as a group. The applicable percentage ownership is based on 11,204,561 shares of common stock outstanding as of February 17, 2012, plus, in the case of Mr. Michaelis, the number of shares of common stock to be issued upon the conversion of Series B Convertible Preferred Stock. All holders of shares of common stock are entitled to one vote per share on all matters submitted to a vote of holders of shares of common stock.

The number of shares beneficially owned by each entity or individual is determined pursuant to Rule 13d-3 of the Exchange Act, and the information is not necessarily indicative of beneficial ownership for any other purpose. Under Rule 13d-3 of the Exchange Act, “beneficial ownership” includes any shares as to which the entity or individual has sole or shared voting power or investment power and also any shares that the entity or individual has the right to acquire within sixty days through the exercise of any stock option or other right. Unless otherwise indicated, each person has sole voting and investment power (or shares such powers with his or her spouse) with respect to the shares set forth in the following table.

other corporate transaction or event affects the Shares, such that an adjustment is appropriate in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan, then the Committee shall equitably adjust, subject to the proviso of Section 2(kk) (definition of Shares) and any other requirements under Code Sections 422, 424, and 409A, any or all of:

- (i) the number of Shares or other securities of the Company (or number and kind of other securities or property) with respect to which Awards may be granted;

(e) Substitute Awards. Awards may, in the discretion of the Committee, be made under the Plan in assumption of, or in substitution for, outstanding awards previously granted by the Company or its Affiliates or a company acquired by the Company or with which the Company combines ("Substitute Awards"). The number of Shares underlying any Substitute Awards shall be counted against the aggregate number of Shares available for Awards under the Plan.

(f) Sources of Shares Deliverable under Awards. Any Shares delivered pursuant to an Award may consist, in whole or in part, of authorized and unissued Shares or of treasury Shares; provided, however, if the Company so determines, Shares delivered may consist of Shares purchased in the market.

The Committee shall have the authority to grant Incentive Stock Options, or to grant Nonqualified Stock Options, or to grant both types of Options. In the case of Incentive Stock Options, the terms and conditions of such grants shall be subject to and comply with such rules as may be prescribed by Section 422 of the Code, as from time to time amended, and any regulations implementing such statute. All Options when granted under the Plan are intended to be Nonqualified Stock Options, unless the applicable Award Agreement expressly states that the Option is intended to be an Incentive Stock Option. As required by Section 409A, Nonqualified Stock Options shall have a grant price equal to or greater than the Fair Market Value per Share as of the date of grant. Nonqualified Stock Options shall qualify as "performance-based compensation" under Section 162(m) of the Code. If an Option is intended to be an Incentive Stock Option, and if for any reason such Option (or any portion thereof) shall not qualify as an Incentive Stock Option, then, to the extent of such nonqualification, such Option (or portion thereof) shall be regarded as a Nonqualified Stock Option appropriately granted under the Plan; *provided* that such Option (or portion thereof) otherwise complies with the Plan's requirements relating to Nonqualified Stock Options. No Option shall include any feature for the deferral of income other than the deferral of recognition of income until the later of the exercise or disposition of the Option.

(b) Exercise Price. The Committee shall determine and establish the exercise price at the time each Option is granted; *provided* that such exercise price shall be set forth in the applicable Award Agreement and shall **not** be less than one hundred percent (100%) of the Fair Market Value per Share on the date of grant; and *provided, further*, that if the Option is an Incentive Stock Option granted to a Ten Percent Shareholder, the exercise price of the Option shall not be less than one hundred ten percent (110%) of the Fair Market Value per Share on the date of the grant of the Option.

TABLE OF CONTENTS

(c) Exercise. Each Option shall be exercisable at such times and subject to such terms and conditions as the Committee may, in its sole discretion, specify in the applicable Award Agreement. No Option shall be exercisable more than ten (10) years from the date of grant; *provided, however*, that in the case of a Ten Percent Shareholder, no Incentive Stock Option shall be exercisable later than the fifth (5th) year anniversary of the date of its grant. The Committee may impose such conditions with respect to the exercise of Options, including without limitation, any relating to the application of federal or state securities laws, as it may deem necessary or advisable. To the extent that the aggregate Fair Market Value of the Shares with respect to Options designated as Incentive Stock Options plus the incentive stock options granted by any Affiliate are exercisable for the first time by a Participant during any calendar year under all plans of the Company and Affiliates exceeds one hundred thousand dollars (\$100,000), such options shall be treated as Nonqualified Stock Options. For purposes of the preceding sentence, (i) Options shall be taken into account in the order in which they are granted, and (ii) the Fair Market Value of the Shares shall be determined as of the time the Incentive Stock Option or other incentive stock option is granted.

(d) Payment.

(i) No Shares shall be delivered pursuant to any exercise of an Option until payment in full of the aggregate exercise price therefor is received by the Company. Such payment may be made as provided in the Award Agreement:

(A) in cash, or its equivalent, or

(B) by exchanging Shares owned by the Participant (which are not the subject of any pledge or other security interest and which have been owned by such Participant for at least six (6) months and acquired other than through an Incentive Stock Option), or

(C) subject to such rules as may be established by the Committee, through delivery of irrevocable instructions to a broker to sell the Shares otherwise deliverable upon the exercise of the Option and to deliver promptly to the Company an amount equal to the aggregate exercise price or by a combination of the foregoing;

provided that the combined value of all cash and cash equivalents and the Fair Market Value of any such Shares so tendered to the Company as of the date of such tender is at least equal to such aggregate exercise price and the taxes, if any, required to be withheld.

(ii) Proof of Share Ownership. Wherever in any Award Agreement a Participant is permitted to pay the exercise price of an Option or taxes relating to the exercise of an Option by delivering Shares, the Participant may, subject to procedures satisfactory to the Committee, satisfy such delivery requirement by presenting proof of beneficial ownership of such Shares, in which case the Company shall treat the Option as exercised without further payment and shall withhold such number of Shares from the Shares acquired by the exercise of the Option.

(e) Disqualifying Dispositions. A Participant shall be obligated to give the Company or any Affiliate for which the Participant works notice of any disposition of any Incentive Stock Option prior to the applicable holding periods.

Section 7. Stock Appreciation Rights

(a) Grant. Subject to the provisions of the Plan, the Committee shall have sole authority to determine the Participants to whom Stock Appreciation Rights shall be granted, the number of Shares to be covered by each Stock Appreciation Right Award (which shall be set on the date of grant and specified in the Award Agreement), the grant price thereof and the conditions and limitations applicable to the exercise thereof. As required by Section 409A, Stock Appreciation Rights shall have a grant price equal to or greater than the Fair Market Value per Share as of the date of grant. Such Stock Appreciation Rights shall qualify as “performance-based compensation” under Section 162(m) of the Code. Stock Appreciation Rights may be granted in tandem with another Award, in addition to another Award, or freestanding and unrelated to another Award; *provided* that the Stock Appreciation Rights granted in tandem with an Award shall be granted at the same time as the other Award.

TABLE OF CONTENTS

(b) *Exercise and Payment.* The grant price of a Stock Appreciation Right per Share shall **not** be less than one hundred percent (100%) of the Fair Market Value per Share on the date of grant. No Stock Appreciation Right shall be exercisable more than ten (10) years from the date of grant. A Stock Appreciation Right shall entitle the Participant to receive an amount equal to the excess of the Fair Market Value of a Share on the date of exercise of the Stock Appreciation Right over the grant price thereof times the number of Shares exercised. The Committee shall determine in its sole discretion whether a Stock Appreciation Right shall be settled in cash, Shares, or a combination of cash and Shares.

(c) *Other Terms and Conditions.* Subject to the terms of the Plan and any applicable Award Agreement, the Committee shall determine, at the grant of a Stock Appreciation Right, the term, methods of exercise, methods and form of settlement, and any other terms and conditions of any Stock Appreciation Right. The Committee may impose such conditions or restrictions on the exercise of any Stock Appreciation Right as it shall deem appropriate; *provided* that the Stock Appreciation Right shall not include any feature for the deferral of income other than the deferral of income until the exercise of the Stock Appreciation Right.

Section 8. Restricted Shares and Restricted Share Units.

(a) *Grant.* Subject to the provisions of the Plan, the Committee shall have sole authority to determine the Participants to whom Restricted Share Units and Restricted Shares shall be granted, the number of Restricted Shares and/or the number of Restricted Share Units to be granted to each Participant, the duration of the period during which, and the conditions, if any, under which, the Restricted Shares and Restricted Share Units may be forfeited to the Company, and the other terms and conditions of such Awards.

(b) *Transfer Restrictions.* Restricted Share Units and Restricted Shares may not be sold, assigned, transferred, pledged, or otherwise encumbered, except, in the case of Restricted Shares, as provided in the Plan or the applicable Award Agreements. Unless otherwise directed by the Committee:

- (i) certificates issued in respect of Restricted Shares shall be registered in the name of the Participant and deposited by such Participant, together with a stock power endorsed in blank, with the Company; or
- (ii) Restricted Shares shall be held at the Company's transfer agent in book-entry form with appropriate restrictions relating to the transfer of such Restricted Shares.
- (iii) upon the lapse of the restrictions applicable to such Restricted Shares, the Company shall, as applicable, either deliver such certificates to the Participant or the Participant's legal representative; the transfer agent shall remove the restrictions relating to the transfer of such Shares; or, if so requested by the Participant, the unrestricted certificates or Shares, as applicable, shall continue to be held on behalf of the Participant.

(c) *Payment.* Each Restricted Share Unit shall have a value equal to the Fair Market Value of a Share. Restricted Share Units shall be paid in cash, Shares, other securities, or other property, as determined in the sole discretion of the Committee, upon the lapse of the restrictions applicable thereto, or otherwise in accordance with the applicable Award Agreement. Dividends paid on any of Restricted Shares shall be paid directly to the Participant, withheld by the Company subject to vesting of the Restricted Shares pursuant to the terms of the applicable Award Agreement, or may be reinvested in additional Restricted Shares, as determined by the Committee and specified in the Award Agreement on the date of grant. Dividends may be credited on Restricted Share Units as additional Restricted Share Units, if so determined by the Committee and specified in the Award Agreement on the date of grant.

Section 9. Performance Share-Based Awards.

(a) *Grant.* The Committee shall have sole authority to determine the Participants who shall receive a "Performance Share-Based Award," which shall consist of a right which is:

- (i) denominated in cash or Shares;
- (ii) valued, as determined by the Committee, in accordance with the achievement of such Performance Goals during such Performance Periods as the Committee shall establish; and

TABLE OF CONTENTS

(iii) payable at such time and in such form (in accordance with Section 409A, if applicable) as the Committee shall determine and specify in the Award Agreement on the date of grant.

(b) *Terms and Conditions.* Subject to the terms of the Plan and the applicable Award Agreement, the Committee shall determine the Performance Goals to be achieved during any Performance Period, the length of any Performance Period, the amount of any target Performance Share-Based Award, and the amount and kind of any final payment or transfer to be made pursuant to any Performance Share-Based Award depending upon achievement of Performance Goals.

(c) *Payment of Performance Share-Based Awards.* Performance Share-Based Awards may be paid in a lump sum or in installments following the close of the Performance Period as set forth in the Award Agreement on the date of grant.

Section 10. Other Share-Based Awards.

(a) *General.* The Committee shall have authority to grant to Participants an “Other Share-Based Award,” which shall consist of any right which is:

(i) not an Award described in Sections 6 through 9 above; and

(ii) an Award of Shares or an Award denominated or payable in, valued in whole or in part by reference to, or otherwise based on or related to, Shares (including, without limitation, securities convertible into Shares), as deemed by the Committee to be consistent with the purposes of the Plan; provided that any such rights must comply, to the extent deemed applicable by the Committee after consultation with legal counsel, with Rule 16b-3 and applicable law, including Section 409A. Subject to the terms of the Plan and any applicable Award Agreement, the Committee shall determine the terms and conditions of any such Other Share-Based Award, including the price, if any, at which securities may be purchased pursuant to any Other Share-Based Award granted under this Plan.

(b) *Dividend Equivalents.* In the sole discretion of the Committee, an Award (other than Options or Stock Appreciation Rights), whether made as an Other Share-Based Award under this Section 10 or as an Award granted pursuant to Sections 8 through 9 hereof, may provide the Participant with dividends or dividend equivalents, payable in cash, Shares, other securities, or other property on a current or deferred basis consistent with Section 409A; *provided*, that in the case of Awards with respect to which any applicable Performance Criteria have not been achieved, dividend equivalents may be paid only on a deferred basis, to the extent the underlying Award vests.

Section 11. Performance Compensation Awards.

(a) *General.* The Committee shall have the authority, at the time of grant of any Award described in Sections 8 through 10 of the Plan, to designate such Award as a Performance Compensation Award in order to qualify such Award as “performance-based compensation” under Section 162(m) of the Code. (Nonqualified Stock Options and Stock Appreciation Rights are automatically “performance-based compensation.”)

(b) *Eligibility.* The Committee will, in its sole discretion, designate within the first ninety (90) days of a Performance Period (or, if longer, within the maximum period allowed under Section 162(m) of the Code) which Participants will be eligible to receive Performance Compensation Awards in respect of such Performance Period. Designation of a Participant eligible to receive an Award hereunder for a Performance Period shall not in any manner entitle the Participant to receive payment in respect of any Performance Compensation Award for such Performance Period. The determination as to whether or not such Participant becomes entitled to payment in respect of any Performance Compensation Award shall be decided solely in accordance with the provisions of this Section 11. Moreover, designation of a Participant eligible to receive an Award hereunder for a particular Performance Period shall not require designation of such Participant as eligible to receive an Award hereunder in any subsequent Performance Period and designation of one person as a Participant eligible to receive an Award hereunder shall not require designation of any other person as a Participant eligible to receive an Award hereunder in such period or in any other period.

TABLE OF CONTENTS

(c) Discretion of Committee with Respect to Performance Compensation Awards. With regard to a particular Performance Period, the Committee shall have full discretion to select the length of such Performance Period, the type(s) of Performance Compensation Awards to be issued, the Performance Criteria that will be used to establish the Performance Goal(s), the kind(s) and/or level(s) of the Performance Goal(s) to apply to the Company, and the Performance Formula. Within the first ninety (90) days of a Performance Period (or, if longer, within the maximum period allowed under Section 162(m) of the Code), the Committee shall, with regard to the Performance Compensation Awards to be issued for such Performance Period, exercise its discretion with respect to each of the matters enumerated in the immediately preceding sentence of this Section 11(c) and record the same in writing.

(d) Payment of Performance Compensation Awards.

(i) Employment Requirement. Unless otherwise provided in the applicable Award Agreement, a Participant must be employed by the Company on the last day of a Performance Period to be eligible for payment in respect of a Performance Compensation Award for such Performance Period.

(ii) Limitation. A Participant shall be eligible to receive payment in respect of a Performance Compensation Award only to the extent that:

(A) the Performance Goals for such period are achieved; and

(B) the Performance Formula as applied against such Performance Goals determines that all or some portion of such Participant's Performance Share-Based Award has been earned for the Performance Period.

(iii) Certification. Following the completion of a Performance Period, the Committee shall meet to review and certify in writing whether, and to what extent, the Performance Goals for the Performance Period have been achieved and, if so, to calculate and certify in writing that amount of the Performance Compensation Awards earned for the period based upon the Performance Formula. The Committee shall then determine the actual size of each Participant's Performance Compensation Award for the Performance Period and, in so doing, may apply Negative Discretion, if and when it deems appropriate.

(iv) Negative Discretion. In determining the actual size of an individual Performance Share-Based Award for a Performance Period, the Committee may reduce or eliminate the amount of the Performance Compensation Award earned under the Performance Formula in the Performance Period through the use of Negative Discretion if, in its sole judgment, such reduction or elimination is appropriate.

(v) Timing of Award Payments. The Awards granted for a Performance Period shall be paid to Participants as soon as administratively possible following completion of the certifications required by this Section 11; *provided* that in no event shall any Award granted for a Performance Period be paid later than ninety (90) days following the end of such Performance Period.

(vi) Maximum Award Payable. As provided in Section 4(a) and Section 4(b) hereof, the maximum Awards payable in Shares to any one Participant under the Plan is limited; or, in the event Awards are paid in cash, the amount is limited to the equivalent cash value on the last day of the Performance Period to which such Award relates. Furthermore, any Award that has been deferred (other than Options and Stock Appreciation Rights that cannot be deferred under Section 409A) shall not increase (between the date as of which the Award is deferred and the payment date):

(A) with respect to the Award that is payable in cash, by a measuring factor for each Fiscal Year greater than a reasonable rate of interest set by the Committee prior to the applicable Fiscal Year; or

(B) with respect to an Award that is payable in Shares, by an amount greater than the appreciation of a Share from the date such Award is deferred to the payment date.

Section 12. Amendment and Termination.

(a) *Amendments to the Plan.* The Board may amend, alter, suspend, discontinue, or terminate the Plan or any portion thereof at any time; *provided* that if an amendment to the Plan that:

- (i) would materially increase the benefits accruing to Participants under the Plan;
- (ii) would materially increase the number of securities which may be issued under the Plan;
- (iii) would materially modify the requirements for participation in the Plan; or
- (iv) must otherwise be approved by the stockholders of the Company in order to comply with applicable law or the rules of the NASDAQ, or, if the Shares are not traded on the NASDAQ, the principal national securities exchange upon which the Shares are traded or quoted;

such amendment will be subject to stockholder approval and will not be effective unless and until such approval has been obtained; and *provided further*, that any such amendment, alteration, suspension, discontinuance, or termination that would impair the rights of any Participant or any holder or beneficiary of any Award previously granted shall not be effective without the written consent of the affected Participant, holder, or beneficiary. No amendment or other action by the Board shall terminate the Plan except in accordance with Section 409A.

(b) *Amendments to Awards.* The Committee may waive any conditions or rights under, amend any terms of, or alter, suspend, discontinue, cancel, or terminate, any Award theretofore granted; *provided* that any such waiver, amendment, alteration, suspension, discontinuance, cancellation, or termination that would impair the rights of any Participant, any holder, or beneficiary of any Award previously granted shall not be effective without the written consent of the affected Participant, holder, or beneficiary and *provided further* that no such actions shall accelerate the time and form of payment of an Award except as permitted in accordance with Section 409A.

(c) *Adjustment of Awards upon the Occurrence of Certain Unusual or Nonrecurring Events.* Subject to Section 409A, the Committee is hereby authorized to make equitable adjustments in the terms and conditions of, and the criteria included in, all outstanding Awards in recognition of unusual or nonrecurring events (including, without limitation, the events described in Section 4(d) hereof) affecting the Company, any Affiliate, or the financial statements of the Company or any Affiliate, or of changes in applicable laws, regulations, or accounting principles, whenever the Committee determines, after consultation with its advisors, that such adjustments are appropriate in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan.

(d) *Repricing.* Subject to Section 409A, except in connection with a corporate transaction or event described in Section 4(d) hereof, the terms of outstanding Awards may not be amended to reduce the exercise price of Options or the grant price of Stock Appreciation Rights, or cancel Options or Stock Appreciation Rights in exchange for cash, other awards or Options or Stock Appreciation Rights with an exercise price or grant price, as applicable, that is less than the exercise price of the original Options or grant price of the original Stock Appreciation Rights, as applicable, without stockholder approval.

Section 13. Change of Control.

(a) Except as otherwise provided in an Award Agreement or by the Committee in a written resolution at the date of grant, to the extent outstanding Awards granted under this Plan are not assumed, converted, or replaced by the resulting entity in the event of a Change of Control, all outstanding Options and Stock Appreciation Rights shall become fully exercisable, all restrictions with respect to outstanding Awards shall lapse and become vested and non-forfeitable, and any specified Performance Goals with respect to outstanding Awards shall be deemed to be satisfied at target; *provided* that payment of Restricted and Performance Share-Based Awards or Performance Compensation Awards shall be made in accordance with Section 13(d).

TABLE OF CONTENTS

(b) Except as otherwise provided in an Award Agreement or by the Committee in a written resolution at the date of grant or thereafter, to the extent outstanding Awards granted under this Plan are assumed, converted, or replaced by the resulting entity in the event of a Change of Control:

- (i) any outstanding Awards that are subject to Performance Share-Based Goals shall be converted by the resulting entity as if target performance had been achieved as of the date of the Change of Control;
- (ii) each Performance Share-Based Award or Performance Compensation Award with service requirements shall continue to vest with respect to such requirements during the remaining period set forth in the Award Agreement; and
- (iii) all other Awards shall continue to vest (and/or the restrictions thereon shall continue to lapse) during the remaining periods set forth in the Award Agreement.

(c) Except as otherwise provided in an Award Agreement or by the Committee in a written resolution at the date of grant or thereafter, to the extent outstanding Awards granted under this Plan are either assumed, converted, or replaced by the resulting entity in the event of a Change of Control, if a Participant's employment or service is terminated without Cause by the Company or an Affiliate or a Participant terminates his employment or service with the Company or an Affiliate for Good Reason (if applicable), in either case, during the twelve- (12-) month period following a Change of Control, all outstanding Options and Stock Appreciation Rights held by the Participant shall become fully exercisable and all restrictions with respect to outstanding Awards shall lapse and become vested and non-forfeitable.

(d) Notwithstanding anything in this Plan or any Award Agreement to the contrary, to the extent any provision of this Plan or an Award Agreement would cause a payment of nonqualified deferred compensation that is subject to Section 409A to be made upon the occurrence of:

- (i) a Change of Control, then such payment shall not be made unless such Change of Control also constitutes a "change in ownership," "change in effective control," or "change in ownership of a substantial portion of the Company's assets" within the meaning of Section 409A; or
- (ii) a termination of employment or service, then such payment shall not be made unless such termination of employment or service also constitutes a Separation from Service.

Any payment that does not comply with the preceding sentence shall be made in accordance with the payment schedule that would have applied in the absence of a Change of Control or termination of employment or service, but disregarding any performance requirements and substituting the passage of time for any future service requirements and any Performance Periods. If a Change of Control constitutes a "change of control" within the meaning of Section 409A, payment shall be made in a lump sum within ten (10) business days following the Change of Control unless the Award Agreement specifies otherwise. If a termination following a Change of Control qualifies as a Separation from Service, distribution will be made in a lump sum within sixty (60) days following the Separation from Service date unless the Award Agreement specifies otherwise.

Section 14. General Provisions.

(a) Nontransferability.

- (i) Each Award, and each right under any Award, shall be exercisable only by the Participant during the Participant's lifetime, or, if permissible under applicable law, by the Participant's legal guardian or representative.
- (ii) No Award may be sold, assigned, alienated, pledged, attached, or otherwise transferred or encumbered by a Participant otherwise than by will or by the laws of descent and distribution, and any such purported sale, assignment, alienation, pledge, attachment, transfer, or encumbrance shall be void and unenforceable against the Company or any Affiliate; *provided* that the designation of a beneficiary shall not constitute a sale, assignment, alienation, pledge, attachment, transfer or encumbrance.

TABLE OF CONTENTS

(b) No Rights to Awards. No Participant or other Person shall have any claim to be granted any Award, and there is no obligation for uniformity of treatment of Participants, holders, or beneficiaries of Awards. The terms and conditions of Awards and the Committee's determinations and interpretations with respect thereto need not be the same with respect to each Participant (whether or not such Participants are similarly situated).

(c) Share Restrictions. Shares or other securities of the Company delivered under the Plan pursuant to any Award or the exercise thereof shall be subject to such stop transfer orders and other restrictions as the Committee may deem advisable under the Plan or the rules, regulations, and other requirements of the SEC, any stock exchange upon which such Shares or other securities are then listed, and any applicable Federal or state laws, and the Committee may cause a legend or legends to be put on any such certificates or cause its transfer agent to put a legend or legends on book-entry Shares to make appropriate reference to such restrictions.

(d) Withholding.

(i) A Participant may be required to pay to the Company or any Affiliate, and the Company or any Affiliate shall have the right and is hereby authorized to withhold from any Award, from any payment due, or transfer made under any Award or under the Plan, or from any compensation or other amount owing to a Participant the amount (in cash, Shares, other securities, other Awards or other property) of any applicable withholding taxes in respect of an Award, its exercise, or any payment, or transfer under an Award or under the Plan and to take such other action as may be necessary in the opinion of the Company to satisfy all obligations for the payment of such taxes.

(ii) Without limiting the generality of clause (i) above, a Participant may satisfy, in whole or in part, the foregoing withholding liability by delivery of Shares owned by the Participant (which are not subject to any pledge or other security interest and which have been owned by the Participant for at least six (6) months and acquired other than through an Incentive Stock Option) with a Fair Market Value equal to such withholding liability or by having the Company withhold from the number of Shares otherwise issuable pursuant to the exercise of the Option a number of Shares with a Fair Market Value equal to such withholding liability.

(e) Award Agreements. Each Award hereunder shall be evidenced by an Award Agreement which shall be delivered to the Participant and shall specify the terms and conditions of the Award and any rules applicable thereto, including but not limited to the effect on such Award of the death, disability, or termination of employment or service of a Participant and the effect, if any, of such other events as may be determined by the Committee.

(f) Electronic Delivery and Acceptance. The Company may electronically deliver documents related to current or future participation in the Plan and may request Participants' consent to participate by electronic means. Participants may consent to receive documents by electronic delivery and agree to participate in the Plan through the Company's on-line system or any other on-line system or electronic means that the Company may decide, in its sole discretion, to use in the future.

(g) No Limit on Other Compensation Arrangements. Nothing contained in the Plan shall prevent the Company or any Affiliate from adopting or continuing in effect other compensation arrangements, which may, but need not, provide for the grant of options, restricted stock, shares and other types of awards provided for hereunder (subject to stockholder approval if such approval is required), and such arrangements may be either generally applicable or applicable only in specific cases.

(h) No Right to Employment. The grant of an Award shall not be construed as giving a Participant the right to be retained in the employ of, or in any consulting relationship to, or as a director on the Board or board of directors, as applicable, of, the Company or any Affiliate. Further, the Company or an Affiliate may at any time dismiss a Participant from employment or discontinue any consulting relationship, free from any liability or any claim under the Plan, unless otherwise expressly provided in any applicable employment contract or agreement.

TABLE OF CONTENTS

(i) No Rights as Stockholder. Subject to the provisions of the applicable Award, no Participant or holder or beneficiary of any Award shall have any rights as a stockholder with respect to any Shares to be distributed under the Plan until he or she has become the holder of such Shares. Notwithstanding the foregoing, in connection with each grant of Restricted Shares hereunder, the applicable Award shall specify if and to what extent the Participant shall not be entitled to the rights of a stockholder in respect of such Restricted Shares.

(j) Governing Law. The validity, construction, and effect of the Plan and any rules and regulations relating to the Plan and any Award Agreement shall be determined in accordance with the laws of the State of Delaware, applied without giving effect to its conflict of laws principles.

(k) Severability. If any provision of the Plan or any Award is or becomes or is deemed to be invalid, illegal, or unenforceable in any jurisdiction or as to any Person or Award, or would disqualify the Plan or any Award under any law deemed applicable by the Committee, such provision shall be construed or deemed amended to conform to the applicable laws, or if it cannot be construed or deemed amended without, in the determination of the Committee, materially altering the intent of the Plan or the Award, such provision shall be stricken as to such jurisdiction, Person, or Award and the remainder of the Plan and any such Award shall remain in full force and effect.

(l) Other Laws. The Committee may refuse to issue or transfer any Shares or other consideration under an Award if, acting in its sole discretion, it determines that the issuance or transfer of such Shares or such other consideration might violate any applicable law or regulation or entitle the Company to recover the same under Section 16(b) of the Exchange Act, and any payment tendered to the Company by a Participant, other holder, or beneficiary in connection with the exercise of such Award shall be promptly refunded to the relevant Participant, holder, or beneficiary. Without limiting the generality of the foregoing, no Award granted hereunder shall be construed as an offer to sell securities of the Company, and no such offer shall be outstanding, unless and until the Committee in its sole discretion has determined that any such offer, if made, would be in compliance with all applicable requirements of the U.S. federal securities laws.

(m) No Trust or Fund Created. Neither the Plan nor any Award shall create or be construed to create a trust or separate fund of any kind or a fiduciary relationship between the Company or any Affiliate and a Participant or any other Person. To the extent that any Person acquires a right to receive payments from the Company or any Affiliate pursuant to an Award, such right shall be no greater than the right of any unsecured general creditor of the Company or any Affiliate.

(n) No Fractional Shares. No fractional Shares shall be issued or delivered pursuant to the Plan or any Award, and the Committee shall determine whether cash, other securities, or other property shall be paid or transferred in lieu of any fractional Shares or whether such fractional Shares or any rights thereto shall be canceled, terminated, or otherwise eliminated.

(o) Deferrals. In the event the Committee permits a Participant to defer any Award payable in the form of cash, all such elective deferrals shall be accomplished by the delivery of a written, irrevocable election by the Participant on a form provided by the Company. All deferrals shall be made in accordance with administrative guidelines established by the Committee to ensure that such deferrals comply with all applicable requirements of Section 409A.

(p) Beneficiary Designations. Each Participant may, from time to time, name any beneficiary or beneficiaries (who may be named contingently or successively) to whom any benefit under the Plan is to be paid in the event of his death before he receives any or all of such benefit. Each such designation shall revoke all prior designations by the same Participant, shall be in a form prescribed by the Committee, and will be effective only when filed by the Participant in writing with the Committee during the Participant's lifetime. In the absence of any such designation, benefits remaining unpaid or rights remaining unexercised at the Participant's death shall be paid to, or exercised by, the Participant's executor or legal representative.

(q) Headings. Headings are given to the Sections and subsections of the Plan solely as a convenience to facilitate reference. Such headings shall not be deemed in any way material or relevant to the construction or interpretation of the Plan or any provision thereof.

TABLE OF CONTENTS

Section 15. Compliance with Section 409A.

(a) To the extent applicable, it is intended that this Plan and any grants made hereunder comply with the provisions of Section 409A, so that the early income inclusion and additional tax, penalty, and interest provisions do not apply to Participants. This Plan and any grants made hereunder shall be administered in a manner consistent with this intent.

(b) Neither a Participant nor any of a Participant's creditors or beneficiaries shall have the right to subject any deferred compensation (within the meaning of Section 409A) payable under this Plan and grants hereunder to any anticipation, alienation, sale, transfer, assignment, pledge, encumbrance, attachment, or garnishment. Except as permitted under Section 409A, any deferred compensation (within the meaning of Section 409A) payable to a Participant or for a Participant's benefit under this Plan and grants hereunder may not be reduced by, or offset against, any amount owing by a Participant to the Company or any of its Affiliates.

(c) If, at the time of a Participant's Separation from Service, (i) the Participant shall be a Specified Employee and (ii) the Company shall make a good faith determination that an amount payable hereunder constitutes deferred compensation (within the meaning of Section 409A) and that no exemption or exclusion shall apply, the payment of which is required to be delayed pursuant to the six- (6-) month delay rule set forth in Section 409A in order to avoid taxes or penalties under Section 409A, then the Company shall not pay such amount on the otherwise scheduled payment date but shall instead pay it, with interest, on the earlier of the first business day of the seventh month following the Separation from Service date or within sixty (60) days following the date of death.

(d) Notwithstanding any provision of this Plan and grants hereunder to the contrary, if permitted under Section 409A, the Company shall amend this Plan and grants hereunder as the Company deems necessary or desirable to avoid the imposition of taxes or penalties under Section 409A. In any case, a Participant shall be solely responsible and liable for the satisfaction of all taxes and penalties that may be imposed on a Participant or for a Participant's account in connection with this Plan and grants hereunder (including any taxes and penalties under Section 409A), and neither the Company nor any of its Affiliates shall have any obligation to indemnify or otherwise hold a Participant harmless from any or all of such taxes or penalties.

Section 16. Term of the Plan.

(a) Effective Date. The Plan shall be effective as of the date of its approval by the Board (the "Effective Date"), subject to approval of the Plan by the stockholders of the Company.

Expiration Date. No grant will be made under this Plan more than ten (10) years after the Effective Date, but all grants made on or prior to such Effective Date will continue in effect thereafter subject to the terms thereof and of this Plan.
