- to vote on a proposal to ratify the selection of Ernst & Young, LLP to serve as the independent auditor for the Company for the fiscal year ending October 31, 2014;

ATTENDING AND VOTING AT THE ANNUAL MEETING

Computershare has been selected as our inspector of election. As part of its responsibilities, Computershare is required to independently verify that you are a stockholder of the Company eligible to attend the Annual Meeting and to determine whether you may vote in person at the Annual Meeting. Therefore, it is very important that you follow the instructions below to gain entry to the Annual Meeting.

Check-in Procedure for Attending the Annual Meeting

Stockholders of Record. The documents you will need to provide to be admitted to the Annual Meeting depend on whether you are a stockholder of record or you represent a stockholder of record.

- *Individuals.* If you are a stockholder of record holding shares in your own name, you must bring to the Annual Meeting a form of government-issued photo identification (e.g., a driver's license or passport). Trustees who are individuals and named as stockholders of record are in this category.
- *Individuals Representing a Stockholder of Record.* If you attend on behalf of a stockholder of record, whether such stockholder is an individual, corporation, trust or partnership:
 - you must bring to the Annual Meeting a form of government-issued photo identification (e.g., a driver's license or passport); AND
 - either:
 - you must bring to the Annual Meeting a letter from that stockholder of record authorizing you to attend the Annual Meeting on their behalf; OR
 - we must have received by **5:00 p.m., Pacific Time, on March 21, 2014** a duly executed proxy card from the stockholder of record appointing you as proxy.

Beneficial Owners. If your shares are held by a bank or broker (often referred to as "holding in street name") you should go to the "Beneficial Owners" check-in area at the Annual Meeting. Because you hold in street name, your name does not appear on the share register of the Company. The documents you will need to provide to be admitted to the Annual Meeting depend on whether you are a beneficial owner or you represent a beneficial owner.

- *Individuals.* If you are a beneficial owner, you must bring to the Annual Meeting:
 - a form of government-issued photo identification (e.g., a driver's license or passport); AND
 - either:
 - a legal proxy that you have obtained from your bank or broker; OR
 - your most recent brokerage account statement or a recent letter from your bank or broker showing that you own shares of the Company.
- *Individuals Representing a Beneficial Owner.* If you attend on behalf of a beneficial owner, you must bring to the Annual Meeting:
 - a letter from the beneficial owner authorizing you to represent such beneficial owner's shares at the Annual Meeting; AND
 - the identification and documentation specified above for individual beneficial owners.

TABLE OF CONTENTS

Voting in Person at the Annual Meeting

Stockholders of Record. Stockholders of record may vote their shares in person at the Annual Meeting by ballot. Each proposal has a separate ballot. You must properly complete, sign, date and return the ballots to the inspector of election at the Annual Meeting to vote in person. To receive ballots, you must bring with you the documents described below:

- *Individuals.* You will receive ballots at the check-in table when you present your identification. If you have already returned your proxy card to us and do not want to change your votes, you do not need to complete the ballots. If you do complete and return the ballots to us, your proxy card will be automatically revoked.
- *Individuals Voting on Behalf of Another Individual.* If you will vote on behalf of another individual who is a stockholder of record, we must have received **by 5:00 p.m., Pacific Time, on March 21, 2014** a duly executed proxy card from such individual stockholder of record appointing you as his or her proxy. If we have received the proxy card, you will receive ballots at the check-in table when you present your identification.
- *Individuals Voting on Behalf of a Legal Entity.* If you represent a stockholder of record that is a legal entity, you may vote that legal entity's shares if it authorizes you to do so. The documents you must provide to receive ballots at the check-in table depend on whether you are representing a corporation, trust, partnership or other legal entity.
 - *If you represent a corporation:*
 - you must bring to the Annual Meeting a letter or other document from the corporation, on the corporation's letterhead and signed by an officer of the corporation, that authorizes you to vote the corporation's shares on its behalf; OR
 - we must have received **by 5:00 p.m., Pacific Time, on March 21, 2014** a duly executed proxy card from the corporation appointing you as its proxy.
 - *If you represent a trust, partnership or other legal entity,* we must have received **by 5:00 p.m., Pacific Time, on March 21, 2014** a duly executed proxy card from the legal entity appointing you as its proxy. A letter or other document will not be sufficient for you to vote on behalf of a trust, partnership or other legal entity other than a corporation.

Beneficial Owners. If you hold your shares in street name, these proxy materials are being forwarded to you by your bank, broker or their appointed agent. Because your name does not appear on the share register of the Company, you will not be able to vote in person at the Annual Meeting unless you request a legal proxy from your bank or broker and bring it with you to the Annual Meeting.

- *Individuals.* As an individual, the legal proxy will have your name on it. You must present the legal proxy at check-in to the inspector of election at the Annual Meeting to receive your ballots.
- *Individuals Voting on Behalf of a Beneficial Owner.* Because the legal proxy will not have your name on it, to receive your ballots you must bring to the Annual Meeting a letter from the person or entity named on the legal proxy that authorizes you to vote its shares at the Annual Meeting.

[TABLE OF CONTENTS](#)

APPOINTMENT OF PROXY

Stockholders of Record. We encourage you to appoint a proxy to vote on your behalf by promptly submitting the enclosed proxy card, which is solicited by the Board of Directors, which we refer to as the Board or our Board, and which, when properly completed, signed, dated and returned to us, will ensure that your shares are voted as you direct. We strongly encourage you to return your completed proxy to us regardless of whether you will attend the Annual Meeting to ensure that your vote is represented at the Annual Meeting.

PLEASE RETURN YOUR PROXY CARD TO US IN THE ACCOMPANYING ENVELOPE NO LATER THAN 5:00 PM, PACIFIC TIME, ON MARCH 21, 2014. IF WE DO NOT RECEIVE YOUR PROXY CARD BY THAT TIME, YOUR PROXY WILL NOT BE VALID. IN THIS CASE, UNLESS YOU ATTEND THE ANNUAL MEETING, YOUR VOTE WILL NOT BE REPRESENTED.

The persons named in the proxy card have been designated as proxies by our Board. The designated proxies are officers of the Company. They will vote as directed by the completed proxy card.

Stockholders of record may appoint another person to attend the Annual Meeting and vote on their behalf by crossing out the board-designated proxies, inserting such other person's name on the proxy card and returning the duly executed proxy card to us. When the person you appoint as proxy arrives at the Annual Meeting, the inspector of election will verify such person's authorization to vote on your behalf by reference to your proxy card. If you would like to appoint a person as proxy other than those designated by our Board, you must do so by using the proxy card, as described above.

If you wish to change your vote, you may do so by revoking your proxy before the Annual Meeting. Please see "— Revocation of Proxy" below for more information.

Beneficial Owners. If you hold your shares in street name, these proxy materials are being forwarded to you by your bank, broker or its appointed agent. You should also have received a voter instruction card instead of a proxy card. Your bank or broker will vote your shares as you instruct on the voter instruction card. We strongly encourage you to promptly complete and return your voter instruction card to your bank or broker in accordance with its instructions so that your shares are voted. As described above, you may also request a legal proxy from your bank or broker to vote in person at the Annual Meeting.

Voting by the Designated Proxies

The persons who are the designated proxies will vote as you direct in your proxy card or voter instruction card. Please note that proxy cards returned without voting directions, and without specifying a proxy to attend the Annual Meeting and vote on your behalf, will be voted by the proxies designated by our Board in accordance with the recommendations of our Board. Our Board recommends:

- a vote **FOR** each of the three (3) nominees for director, each to serve for a three-year term (Proposal 1);
- a vote **FOR** the proposal to ratify the selection of Ernst & Young, LLP as the Company's independent auditor for the fiscal year ending October 31, 2014 (Proposal 2); and
- a vote **FOR** the approval, on an advisory basis, of the compensation of Named Executive Officers (Proposal 3).

If any other matter properly comes before the Annual Meeting, including any adjournments, your proxies will vote on that matter in their discretion.

Revocation of Proxy

You may revoke or change your proxy before the Annual Meeting by:

- sending us a duly executed written notice of revocation prior to the Annual Meeting;
- attending the Annual Meeting and voting in person; OR
- ensuring that we receive from you, **prior to 5:00 p.m., Pacific Time, on March 21, 2014** a new proxy card with a later date.

TABLE OF CONTENTS

Any written notice of revocation must be sent to the attention of Joseph D. Rumley, Chief Financial Officer, Treasurer and Corporate Secretary, Limoneira Company, 1141 Cummings Road, Santa Paula, California 93060 or by facsimile to (805) 525-8211.

APPROVAL OF PROPOSALS AND SOLICITATION

Each stockholder who owned shares of stock on February 14, 2014, the record date for the determination of stockholders entitled to vote at the Annual Meeting, is entitled to one vote for each share of common stock and ten votes for each share of Series B Convertible Preferred Stock. On February 14, 2014, we had 14,050,390 shares of common stock and 30,000 shares of Series B Convertible Preferred Stock issued and outstanding that were held by approximately 3,000 beneficial holders.

Quorum

Under the Amended and Restated Bylaws of the Company, as amended, which we refer to as the Bylaws, the stockholders present in person or by proxy holding a majority of the outstanding shares of stock entitled to vote shall constitute a quorum at a meeting of stockholders of the Company. Holders of shares of common stock and Series B Convertible Preferred Stock are the only stockholders entitled to vote at the Annual Meeting. Shares represented by proxies that are marked "abstain" will be counted as shares present for purposes of determining the presence of a quorum. Shares of stock entitled to vote that are represented by broker non-votes will be counted as shares present for purposes of determining the presence of a quorum. A broker non-vote occurs when the broker holding shares for a beneficial owner does not vote on a particular proposal because the broker does not have discretionary voting power to vote on that proposal without specific voting instructions from the beneficial owner. Proposals 1 and 3 described in this proxy statement are non-discretionary items and Proposal 2 described in this proxy statement is a discretionary item.

If the persons present or represented by proxies at the Annual Meeting do not constitute a majority of the holders of outstanding stock entitled to vote as of the record date, we will postpone the Annual Meeting to a later date.

Approval of Proposals

- a) *Election of Directors.* For the election of Class III directors (Proposal 1), in accordance with the Bylaws, the affirmative vote of at least a plurality of the votes cast on such proposal is required. For the election of directors, you may elect to cumulate your vote. Cumulative voting will allow you to allocate among the director nominees, as you see fit, the total number of votes equal to the number of director positions to be filled multiplied by the number of votes to which you are entitled. For example, if you own 100 shares of common stock and there are 3 directors to be elected at the Annual Meeting, you may allocate 300 "FOR" votes (3 times 100) among as few or as many of the 3 nominees to be voted on at the Annual Meeting as you choose. You may not cumulate your votes against a nominee. If you are a stockholder of record and choose to cumulate your votes, you will need to submit a proxy card or, if you vote in person at the Annual Meeting, submit a ballot and make an explicit statement of your intent to cumulate your votes, either by so indicating in writing on the proxy card or by indicating in writing on your ballot when voting at the Annual Meeting. If you hold shares beneficially through a broker, trustee or other nominee and wish to cumulate votes, you should contact your broker, trustee or nominee. If you vote by proxy card or voting instruction card and sign your card with no further instructions, Harold S. Edwards and Joseph D. Rumley, as proxy holders, may cumulate and cast your votes in favor of the election of some or all of the applicable nominees in their sole discretion, except that none of your votes will be cast for any nominee as to whom you vote against or abstain from voting. Cumulative voting applies only to the election of directors. For all other matters, each share of common stock outstanding as of the close of business on the record date for the Annual Meeting is entitled to one vote and each share of Series B Convertible Preferred stock is entitled to ten votes.
- b) *Ratification of Independent Auditor.* For the approval of the proposal to ratify the selection of Ernst & Young, LLP as the independent auditor for the Company (Proposal 2), the affirmative vote of at least a majority of the outstanding shares present in person or represented by proxy at the Annual Meeting is required. An abstention will not be counted as a vote cast.

TABLE OF CONTENTS

- c) *Approval of Compensation of Named Executive Officers.* For the approval, by advisory vote, of the compensation of Named Executive Officers (Proposal 3), the affirmative vote of at least a majority of the outstanding shares present in person or represented by proxy at the Annual Meeting is required. An abstention will not be counted as a vote cast.
- d) *Other Matters.* With the exception of certain business combinations, as described in Article Seventeen of the Company's Restated Certificate of Incorporation, as amended, which we refer to as the Certificate of Incorporation, any other proposal that properly comes before the Annual Meeting must be approved by the affirmative vote of at least a majority of the outstanding shares present in person or represented by proxy at the Annual Meeting. An abstention will not be counted as a vote cast.

All votes will be tabulated by Computershare, the proxy tabulator and inspector of election appointed for the Annual Meeting. Computershare will separately tabulate affirmative and negative votes, abstentions and broker non-votes.

Proposal 2 is a discretionary item. Brokers that do not receive instructions from beneficial owners may vote your shares in their discretion. Proposals 1 and 3 are non-discretionary items and brokers may not vote on the proposals without specific voting instructions from beneficial owners, resulting in a broker non-vote.

Solicitation of Proxies

We will bear the cost of the solicitation of proxies, including the preparation, printing and mailing of this proxy statement and the proxy card. We have also retained Computershare to distribute copies of these proxy materials to banks, brokers, fiduciaries and custodians, or agents holding shares in their names on behalf of beneficial owners so that they may forward these proxy materials to our beneficial owners.

We may supplement the original solicitation of proxies by mail with solicitation by telephone, telegram and other means by directors, officers and/or employees of the Company. We will not pay any additional compensation to these individuals for any such services.

PROPOSAL 1: ELECTION OF DIRECTORS

Board Composition

The Bylaws provide that the exact number of directors shall be eleven. The Certificate of Incorporation divides the Board into three classes, each class serving for a term ending on the date of the third annual meeting following the annual meeting at which such director was elected. The terms of each class of directors is set to expire as follows: Class I to expire at the 2015 Annual Meeting of Stockholders, Class II to expire at the 2016 annual meeting of Stockholders and Class III to expire at the Annual Meeting. The terms of office of Allan M. Pinkerton, Alan M. Teague and Robert M. Sawyer, Class III directors, expire at the Annual Meeting and such directors have been nominated for re-election.

You may cumulate your votes for one or more director nominees. If you wish to cumulate your votes, you will need to indicate explicitly your intent to cumulate your votes among the director nominees who will be voted upon at the Annual Meeting. See “APPROVAL OF PROPOSALS AND SOLICITATION — Approval of Proposals — Election of Directors” for more information about how to cumulate your votes.

Our Board has reviewed the materiality of any relationship that each of our directors has with the Company, either directly or indirectly. Based on this review, the Board has determined that the following directors are “independent directors” as defined by the NASDAQ Stock Market Marketplace Rules, which we refer to as the NASDAQ Rules: Messrs. Ronald Michaelis, Allan M. Pinkerton, Robert M. Sawyer, Gordon E. Kimball, Keith W. Renken, John W. Blanchard, John W. H. Merriman and Scott S. Slater.

Election of Directors

The Class III directors will be elected at the Annual Meeting and will serve a term that expires at our 2017 Annual Meeting of Stockholders. The Board has nominated Messrs. Allan M. Pinkerton, Alan M. Teague and Robert M. Sawyer for re-election as Class III directors. All of the nominees have indicated a willingness to stand for re-election and to serve if re-elected. It is intended that the shares represented by the enclosed proxy will be voted for the election of the above-named nominees. Although it is anticipated that each nominee will be available to serve as a director, should any nominee be unable to serve, the proxies will be voted by the proxy holders in their discretion for another person properly designated. Each nominee recommended by the Board to stockholders was recommended to the Board by the nominating and corporate governance committee. The following paragraphs describe the business experience and education of Messrs. Allan M. Pinkerton, Alan M. Teague and Robert M. Sawyer.

Allan M. Pinkerton. Mr. Pinkerton has served as a director of the Company since 1990. Mr. Pinkerton is the owner and manager of Pinkerton Ranches, which engages in citrus and avocado production. He is currently a director of Ventura County Fruit Exchange, Alta Mutual Water Company and Farmers Irrigation Company. Mr. Pinkerton graduated from California State Polytechnic University at Pomona earning a Bachelor of Science degree in agricultural business management in 1966.

Alan M. Teague. Mr. Teague has served as a director of the Company since 1990. Mr. Teague has been the Chairman of the Board since 2004, and was previously Chairman of the Board from 1990 to 1996. He is currently president of California Orchard Company. Mr. Teague was employed by Teague-McKevett Company and the McKevett Corporation since 1961, holding various positions, and president of both firms since 1984 until the merger with the Company in 1995. Mr. Teague has been active in many political and civic organizations including the Santa Paula City Council from 1966 to 1974 and Mayor of the City of Santa Paula from 1970 to 1974. He is currently a director of Ventura County Fruit Exchange and Salinas Land Company and a trustee of the Limoneira Foundation. Mr. Teague attended the University of Arizona where he studied business administration.

TABLE OF CONTENTS

Mr. Teague's vast understanding of the role and strategic priorities of the Board, as well as our business, history and organization, and his many experiences as an executive and board member of various companies provide our Board with the leadership experience needed to continue the transition from a private to a public company. Mr. Teague's extensive political and civic experiences in the Santa Paula community position him well to serve as Chairman of the Board.

Robert M. Sawyer. Mr. Sawyer has served as a director of the Company since 1990. Mr. Sawyer is an attorney serving as Of Counsel to the firm of Reme Moose Manley, LLP, in Sacramento, California, where his practice focuses on water rights, water quality, water agencies and water systems, and water supply aspects of land planning. He has previously been affiliated with Best, Best & Krieger, LLP and Norman Dowler, LLP and is the former General Counsel for Casitas Municipal Water District. He is a member of the Sacramento and Ventura County Bar associations, the Groundwater Resources Association of California and the California Rural Water Association. Mr. Sawyer graduated from the University of California at Santa Cruz where he earned a Bachelor of Arts degree in Music in 1972, and from Northwestern School of Law of Lewis & Clark College where he earned his Juris Doctor degree in 1975.

Mr. Sawyer's extensive knowledge of California real estate, land use, environmental and water laws and regulations provides our Board with an important perspective in these areas and makes him particularly well-suited to serve as a director.

The election of directors is by plurality vote of holders present in person or by proxy at the Annual Meeting and entitled to vote thereon, with the three nominees receiving the highest vote totals to be elected as directors.

Directors Not Up for Re-Election

The following paragraphs describe the business experience and education of our Class I and II directors (not standing for re-election).

John W. Blanchard. Mr. Blanchard has served as a director of the Company since 1990. Mr. Blanchard retired in 2009 as the president and chief executive officer of the Santa Paula Chamber of Commerce, which position he had held since 2007. Prior to that, he was employed as a realtor at Prudential California Realty in Camarillo, California from 2002 to 2007. Mr. Blanchard is also a director of Ventura County Fruit Exchange and is a trustee of the Limoneira Foundation. Mr. Blanchard attended Stanford University and graduated from the University of Southern California, where he earned his Bachelor of Science degree in finance, and his Master of Business Administration degree.

Mr. Blanchard's extensive experience in, and knowledge of, the Santa Paula community and his background in finance provides our Board with an important perspective in the areas of community relations and responsible use of the Company's land and water resources.

Lecil E. Cole. Mr. Cole has served as a director of the Company since 2006. Mr. Cole is currently Chairman of the Board of Directors, Chief Executive Officer and President of Calavo Growers, Inc., a company listed on the NASDAQ Global Market. Mr. Cole farms a total of 4,430 acres in California and Hawaii on which avocados, lemons and cattle are produced and raised.

As President and Chief Executive Officer of Calavo Growers, Inc., which packs, markets and sells all of our avocado production, Mr. Cole brings to our Board an intimate understanding of our industry, and provides our Board with valuable insight on the governance practices of public companies.

Board Leadership Structure and Role of Risk Oversight

Generally

The leadership structure of the Board is centered around the concept of an appropriate balance between management and the Board. The Board believes that it is in the best interests of the Company for the Board to make a determination regarding whether or not to separate the roles of Chairman and Chief Executive Officer based upon the circumstances. The Board believes that presently it is in the best interests of the Company that the positions of Chairman and Chief Executive Officer are separate. The Board believes that this separation is presently appropriate as it allows the Chief Executive Officer to focus primarily on leading the day to day operations of the Company while the Chairman can focus on leading the Board in its consideration of strategic issues and monitoring corporate governance, community relations and stockholder issues. To encourage open discussion and communication among the directors, executive sessions of non-management directors are held as necessary.

Our Board also has three key committees: the audit and finance committee, chaired by Keith W. Renken; the compensation committee, chaired by John W.H. Merriman; and the nominating and corporate governance committee, chaired by John W.H. Merriman. Each of these committees play an important role in the governance and leadership of our Board and each is chaired by an independent director. For additional information regarding these committees, please see “BOARD OF DIRECTORS, EXECUTIVE OFFICERS AND COMMITTEES — Board Meetings and Committees” and for biographies of the chairmen of each of the committees, please see “PROPOSAL 1: ELECTION OF DIRECTORS — Election of Directors.”

Risk Oversight

The Board has delegated certain duties with respect to risk oversight for the Company to the audit and finance committee. One of the audit and finance committee’s purposes under its charter is to evaluate enterprise risk issues. In furtherance of such purpose, the audit and finance committee charter specifically requires the committee to discuss with management, the internal auditor or internal audit service provider, as the case may be, and the independent auditor the Company’s major risk exposures (whether financial, operational or both) and the steps management has taken to monitor and control such exposures, including the Company’s risk assessment and risk management policies. The audit and finance committee reports back to the Board with respect to its assessments.

The Company may not enter into or engage in any related party transaction without such approval. Details of related party transactions will be publicly disclosed as required by applicable law.

Nominations of Directors and Diversity

Nominations of Directors

As provided in its charter, available on our website at www.limoneira.com, the nominating and corporate governance committee will assist the Board by evaluating director nominees for election or re-election. In addition, the committee may review candidates for the Board recommended by executive search firms, the Company’s management and other members of the Board who are not members of the committee, as well as candidates recommended by stockholders, in accordance with the following criteria and as discussed in “— Stockholder Nominations of Directors” below.

TABLE OF CONTENTS

The nominating and corporate governance committee, in evaluating director nominees, regardless of whether the Board, management or a stockholder nominated such nominee, may consider some or all of the following factors:

- the candidate's judgment, skill, and experience with other organizations of comparable purpose, complexity and size, and subject to similar legal restrictions and oversight;
- the interplay of the candidate's experience with the experience of other directors;
- the extent to which the candidate would be a valuable addition to the Board and any committees thereof;
- whether or not the person has any relationships that might impair his or her independence, including any business, financial or family relationships with the Company's management; and
- the candidate's ability to contribute to the effective management of the Company, taking into account the needs of the Company and such factors as the individual's experience, perspective, skills and knowledge of the industries in which the Company operates.

In evaluating candidates for election as directors, the nominating and corporate governance committee will also take into consideration the need for the Board to have a majority of directors that are independent under the requirements of the NASDAQ Rules and other applicable laws.

In addition, the nominating and corporate governance committee will consider in its evaluation of candidates for election as directors based on the following criteria and qualifications:

The nominating and corporate governance committee charter provides that the committee endeavor to solicit as director candidates individuals possessing skills and talents which would complement the skills and talents of the Company's existing directors. In addition, before recommending that the Board nominate each new director candidate or re-nominate each incumbent director, the nominating and corporate governance committee assesses each individual's contributions, including the value of his or her experience as a director of the Company, the availability of new director candidates who may offer unique contributions and the Company's changing needs.

Diversity

Although the Board does not have a formal policy regarding diversity, the nominating and corporate governance committee's evaluation of director nominees includes consideration of their ability to contribute to the diversity of personal and professional experiences, opinions, perspectives and backgrounds on the Board. Nominees are not discriminated against on the basis of race, color, religion, sex, ancestry, national

There were no cash based or equity based awards granted pursuant to the Amended and Restated Plan for fiscal year 2011.

The Company's Named Executive Officers refers to those executive officers identified in the Summary Compensation Table below. Our Named Executive Officers for fiscal year 2013 were: Harold Edwards, President and Chief Executive Officer; Joseph Rumley, Chief Financial Officer, Treasurer and Corporate Secretary; and Alex Teague, Senior Vice President.

Our executive compensation program is designed to attract and retain individuals with the skills required to enable the Company to achieve its strategic goals. The program seeks to remain competitive with the market while also aligning the executive compensation program with stockholder interests through the following types of compensation: (i) base salary; (ii) annual cash-based incentive bonuses; (iii) annual equity-based incentive bonuses; and (iv) other compensation consisting of retirement and other benefits.

Key Executive Compensation Objectives

The compensation policies developed by the compensation committee are based on the philosophy that compensation should reflect both the Company's performance, financially and operationally, and the individual performance of the executive. The compensation committee's objectives when setting compensation for our Named Executive Officers include:

- Setting compensation levels that are sufficiently competitive such that they will motivate and reward the highest quality individuals to contribute to our goals, objectives and overall financial success. This is done in part through reviewing and comparing the compensation of other companies in our industry.
- Retaining executives and encouraging their continued quality service, thereby encouraging and maintaining continuity of the management team. Our competitive base salaries combined with cash and equity incentive bonuses, and the long term incentives through our retirement plans and the vesting requirements of our equity-based incentive bonuses, encourage high-performing executives to remain with the Company.
- Incentivizing executives to appropriately manage risks while attempting to improve our financial results, performance and condition. Our cash-based and equity-based incentive plans set company-specific and individual goals for executives to ensure the executives are compensated in accordance with the Company's performance.
- Aligning executive and stockholder interests. The compensation committee believes the use of equity compensation as a key component of executive compensation is a valuable tool for aligning the interests of our Named Executive Officers with those of our stockholders.

- Obtaining tax deductibility whenever appropriate. The compensation committee believes tax-deductibility for the Company is generally a favorable feature for an executive compensation program, from the perspectives of both the Company and the stockholders. The Amended and Restated Plan has provisions relating to tax withholding and compliance with Section 409A of the Code to ensure executives are obtaining favorable tax treatment.

Key Compensation Decisions and Developments for Fiscal Year 2013

- Base Pay. During fiscal year 2013, our Chief Executive Officer received no increase in base pay, our Chief Financial Officer received a 10% increase in base pay and our Senior Vice President received an 8% increase in base pay.
- Cash-Based Incentive Compensation. In fiscal year 2014, cash-based incentive compensation bonuses equal to 22.5% of base pay were paid to our Chief Executive Officer, our Chief Financial Officer and our Senior Vice President for fiscal year 2013 performance.
- Equity-Based Incentive Compensation. For fiscal year 2013 performance the maximum potential incentive payouts for all Named Executive Officers was 100% of base salary. Based on the Company's performance in fiscal year 2013 and per the terms of the Amended and Restated Plan, equity-based incentive bonuses equal to 30% of base salary were paid to our Chief Executive Officer, our Chief Financial Officer and our Senior Vice President in fiscal year 2014.

General Objectives of the Compensation Program

The compensation program for our Named Executive Officers is designed to align management's incentives with the interests of our stockholders and to be competitive with comparable employers. Our compensation philosophy recognizes the value of rewarding our Named Executive Officers for their past performance and motivating them to continue to excel in the future. The compensation committee has developed and maintains a compensation program that rewards superior performance of both the Company and of each individual executive, and seeks to encourage actions that drive our business strategy. Our compensation strategy is to provide a competitive opportunity for senior executives taking into account their total compensation packages, which include a combination of base salary, an annual cash-based incentive bonus, an annual equity-based incentive bonus and certain perquisites. At the Named Executive Officer level, our incentive compensation arrangements are designed to reward the achievement of year-to-year operating performance goals.

Oversight of Executive Compensation

The Role of the Compensation Committee in Setting Compensation. During fiscal year 2013, our compensation committee had the authority to determine our compensation philosophy and our Board had the primary authority to determine the compensation for our executive officers. Our President and Chief Executive Officer's total compensation was recommended by the compensation committee and approved by our Board. According to the compensation committee charter, the compensation committee will have the authority to determine the compensation of our executive officers in light of individual and corporate achievements. During the first quarter of each fiscal year, the compensation committee establishes performance goals for cash-based and equity-based incentive compensation for each of the Named Executive Officers and, at the end of that fiscal year, determines the level of attainment of those established goals.

The Role of Executives in Setting Compensation. Each Named Executive Officer and other senior executive management team members participate in an annual performance review with our President and Chief Executive Officer or other Named Executive Officer to provide input about his or her contributions to our success for the period being assessed.

Elements of Compensation

The material elements of the compensation program for our Named Executive Officers include: (i) base salary; (ii) annual cash-based incentive bonuses; (iii) annual equity-based incentive bonuses; and (iv) other compensation consisting of retirement and other benefits.

Base Salaries. We provide our Named Executive Officers with a base salary to compensate them for services rendered during the fiscal year and sustained performance. The purpose of the base salary is to reflect job

TABLE OF CONTENTS

responsibilities, value to us and competitiveness of the market. Salaries for our Named Executive Officers are determined by the compensation committee based on the following factors: nature and responsibility of the position and, to the extent available, salary norms for comparable positions; the expertise of the individual executive; the competitiveness of the market for the executive's services; and the recommendations of our President and Chief Executive Officer. The compensation committee believes that the base salary of each of the Named Executive Officers is, particularly in light of each of their total compensation packages, competitive with the market.

Annual Performance Cash-Based Incentive Bonuses. Our practice is to award annual cash-based incentive bonuses based upon the achievement of performance objectives established by the compensation committee at the beginning of each year. For fiscal year 2013 the compensation committee established net income for the year as the performance objective.

Each of our Named Executive Officers is eligible to receive an annual cash-based incentive bonus in an amount up to a target percentage of his base salary based on the achievement of the established performance objective, subject to the negative discretion of our compensation committee. The target percentage is based on a graduated scale beginning at 5% of a participant's annual base salary and with a maximum of 60% of a participant's annual base salary.

Any bonuses earned and awarded under the program in respect of a fiscal year are paid in a cash lump sum on or after October 31 of the performance year and on or before January 31 of the year following the performance year. For fiscal year 2013, our Named Executive Officers were eligible to receive a cash-based incentive bonus in an amount up to 7.5% of their respective base salaries if the Company achieved net after-tax earnings of at least \$2.7 million. For every \$300,000 increment in net after-tax earnings, the amount of amount of potential cash-based incentive bonus our Named Executive Officers were eligible to receive increased from 0% to 5% up to a maximum of 60% of their respective base salaries. Based on our overall financial performance in fiscal year 2013, our compensation committee awarded a cash bonus to our Named Executive Officers equal to 22.5% of their base salaries..

Annual Performance Equity-Based Incentive Bonuses. It is our objective to have a substantial portion of each Named Executive Officer's compensation contingent upon overall corporate and segment performance as well as upon his own level of performance and contribution towards such corporate performance. Our compensation committee believes that equity-based annual incentives for the achievement of defined objectives create value for the Company and aligns the executive's compensation with the interests of our stockholders. The compensation committee established overall corporate goals with a view towards establishing such goals that are challenging to achieve, and, at the end of the applicable fiscal year, determines the level of attainment of those established goals and the contribution of each executive towards achieving them. For fiscal year 2013 the compensation committee established 75% of budgeted net income as the performance goal. Each of Messrs. Edwards, Teague and Rumley were eligible to receive a number of shares of our common stock not to exceed an aggregate fair market value of 30% of their base salary if the performance goal was achieved, 40% of their base salary if net income of at least 100% but less than 125% of budgeted net income for the performance year was achieved, 50% of base salary if net income of at least 125% but less than 200% of budgeted net income was achieved and 100% of their base salary if net income was at least 200% of budgeted net income. Shares granted under the Amended and Restated Plan vest one-half on the first anniversary of the issue date and one-half on the second anniversary of the issue date. In the event that such overall corporate performance goals are obtained, the compensation committee, in its sole discretion, may nevertheless determine not to grant such shares or grant a fewer number of shares depending upon the circumstances such as the achievement of corporate or individual goals or strategic initiatives. Based on our overall financial performance in fiscal year 2013, our compensation committee awarded a equity-based incentive compensation to our Named Executive Officers equal to 30% of their base salaries.

Retirement Plans. The compensation committee believes that retirement programs are important to the Company as they contribute to the Company's ability to be competitive with its peers and reward our executive officers based on long-term performance of the Company and, therefore, are an important piece of the overall compensation package for the Named Executive Officers. For all eligible employees, including our Named Executive Officers, we provide a 401(k) plan; others are participants in our defined benefit pension plan.

TABLE OF CONTENTS

Until June 2004, our employees and executive officers were eligible to participate in a traditional defined benefit pension plan that was maintained by the Company. Effective June 2004, plan participation and benefits payable under that plan were frozen and, since that time, no new participants have been added to that plan. The only Named Executive Officer who is a participant in our defined benefit pension plan is Harold Edwards. At normal retirement age, Harold Edwards's anticipated monthly payment under this plan would be \$81.

The Company sponsors a defined contribution retirement plan maintained under section 401(k) of the Code. Under the terms of such plan, eligible employees may elect to defer, beginning after one month of employment, up to that amount of their annual earnings permitted to be deferred under the applicable provisions of the Code. In addition to any deferral contributions made by our employees, the Company contributes to the account of each eligible employee with at least one year of qualifying service a matching contribution of up to 4% such employee's annual compensation plus such employee's allocable share of any discretionary employer profit-sharing contribution. Participant deferral contributions and employer matching contributions are 100% vested at the time of contribution, and employer discretionary profit-sharing contributions vest at a rate of 20% per year of service beginning after two years of service, becoming 100% vested upon completion of six years of service. During fiscal year 2012, there were no changes made to our defined contribution plan related to company contributions, contribution limitations, vesting schedules or eligibility requirements.

Nonqualified Deferred Compensation. None of our Named Executive Officers participates in or has account balances in nonqualified defined contribution or other deferred compensation plans maintained by the Company.

Change in Control Benefits. The 2010 Amended and Restated Omnibus Incentive Plan contains provisions which provide for the vesting of options and stock appreciation rights awarded thereunder, as well as the lapse of restrictions on and vesting of all incentive awards issued thereunder upon a change in control.

Separation or Severance Benefits. None of our Named Executive Officers is covered by any plan or arrangement or has any agreement with us pursuant to which he would receive payments upon his separation of service or termination from employment with the Company.

Perquisites and Other Personal Benefits. The compensation committee reviews annually the perquisites that Named Executive Officers receive. The primary personal benefits for our Named Executive Officers are health and welfare benefits, including, medical, dental, vision and life insurance, in which the Named Executive Officers participate on the same terms as other company employees. In addition, company vehicles are provided to the Named Executive Officers, as well as to other members of management.

Employment Agreements. As of the end of our 2012 fiscal year, the Company was not party to any employment agreements with any of our Named Executive Officers.

Other. The compensation committee also considers the accounting, tax, and stockholder dilutive costs of specific compensation programs, and seeks to balance the earnings, tax and dilutive impact of executive compensation plans with the need to attract, retain and motivate highly-qualified executives.

Benchmarking

When making compensation-related decisions, the compensation committee believes it is important to be informed as to the current practices of other companies in our industry and/or similar in size or other attributes to the Company and to set compensation levels for our executive officers that are competitive with such companies. As a result, in determining compensation levels for our Named Executive Officers and for purposes of determining any potential payments to our Named Executive Officers under our annual cash-based and equity-based incentive bonus programs, the compensation committee periodically reviews and compares available salary and incentive bonus information of other companies. As a part of such review and comparison, the compensation committee uses internally prepared surveys and other publicly and privately available information to compare each component of the Company's compensation program to the compensation paid to equivalent executive officers at such companies, with a goal of setting competitive compensation levels for each of our executive officers. Two benchmark data sets were considered in the evaluation. The first benchmark was comprised of a large sample of companies from compensation surveys administered by Mercer with revenue amounts similar to the Company. The second benchmark was comprised of ten companies selected from the *Forbes 2011*

TABLE OF CONTENTS

List of Best Small Companies, with revenue amounts similar to the Company and reflect high growth potential. The companies included in the second benchmark data set included Volterra Semiconductor Corp., Heritage-Crystal Clean Inc., UFP Technologies Inc., IEC Electronics Corp., Coffee Holding Co. Inc., Georesources Inc., Healthstream Inc., Winmark Corp., Alliance Fiber Optic Product and NVE Corp. The results of the benchmarking activities were utilized in designing our compensation program described in Elements of Compensation.

Effect of Say-on Pay Vote

At our 2013 annual meeting of stockholders, pursuant to a non-binding, advisory vote, the stockholders approved the compensation of our Named Executive Officers as disclosed in the proxy statement for such annual meeting. The compensation committee has considered the results of this advisory vote and believes that it shows support by our stockholders for our compensation philosophy and the executive compensation programs that implement our philosophy. We have not significantly changed our executive compensation programs following the advisory vote.

Pension Benefits in Fiscal Year 2013

The Company's defined benefit pension plan is a tax-qualified retirement plan that covers eligible employees of the Company. Effective in June 2004, participation in such plan was frozen so that anyone who was hired by the Company on or after June 2004 is ineligible to participate in such plan. Under the plan, age 65 is considered normal retirement age. Participating employees may retire with benefits as early as age 55 provided they then have at least five years of qualifying service. Normal retirement benefits for a participant are calculated based on such participant's highest average pay over any five consecutive calendar years of employment. The maximum benefit is payable to employees who retire at age 65 with 30 or more years of service and is equal to 65% of such employee's highest average pay less 60% of the applicable participant's estimated annual Social

TABLE OF CONTENTS

Security benefit. For participating employees who retire at age 65 with less than 30 years of service, their retirement benefit is equal to such maximum benefit amount multiplied by a fraction, the numerator of which is total years of qualifying service and the denominator of which is 30. For participating employees who elect to retire prior to age 65, the benefits under the Company's defined benefit pension plan that would otherwise be payable to them at age 65 are actuarially reduced to account for the longer period they are expected to be receiving payments.

Benefits are paid in the form of a life annuity, with married employees having the option to elect to receive benefit payments in the form of a 50% joint and survivor annuity. Additionally, participating retiring employees may elect a ten-year certain and life optional form of payment, a contingent annuity with a ten-year certain and life optional form of payment or a 100%, 75% or 50% joint and survivor optional form of payment naming someone other than his or her spouse as joint annuitant.

Name	Plan Name	Number of Years Credited Service (#)	Present Value of Accumulated Benefit (\$) ⁽¹⁾	Payments During Last Fiscal Year (\$)
Harold Edwards	Limoneira Company Retirement Plan ⁽²⁾	0.5	\$ 6,174	\$ —

- (1) Liabilities shown in this column are computed using the projected unit credit method reflecting average salary and service as of the fiscal year end. The material assumptions used to determine these liabilities can be found in the fiscal year end FAS Disclosures Actuarial Valuation Report, except we assumed no pre-retirement decrements and that retirement occurs at the plan's earliest unreduced retirement age.
- (2) The plan's benefit formula is integrated with Social Security and is based on the participant's years of service for the Company and final average compensation. Compensation is limited to the applicable limit under Section 401(a)(17) of the Code. The plan benefit is limited to the applicable Internal Revenue Code section 415(b) limit. Only employees hired before June 30, 2004 are eligible to participate in the plan. In addition, eligibility for the plan occurs no later than the completion of 500 hours of service in the first twelve months of employment. Effective June 30, 2004, the plan was frozen. Additional benefit service cannot be earned after June 30, 2004. Early retirement age is the first day of any month after age 55, provided the participant has earned five years of vesting service at the time of retirement.

PROPOSAL 3: ADVISORY VOTE ON EXECUTIVE COMPENSATION

Executive compensation is an important matter to us and to our stockholders. Newly enacted legislation enables our stockholders to vote to approve, on an advisory (non-binding) basis, the compensation of our Named Executive Officers as disclosed in this proxy statement in accordance with the SEC’s rules.

As described in detail under the heading “COMPENSATION DISCUSSION AND ANALYSIS,” our executive compensation programs are designed to attract, motivate and retain our Named Executive Officers, who are critical to our strategic goals and success. Under our executive compensation program, our Named Executive Officers receive compensation that encourages both near-term and long-term growth and successes through compensation linked to performance standards aimed to increase stockholder value. Please read the Compensation Discussion and Analysis for additional details about our executive compensation programs, including information about the fiscal year 2013 compensation of our Named Executive Officers.

The compensation committee bases its executive compensation decisions on our compensation objectives, which include the following:

- aligning management’s incentives with the interests of our stockholders;
- providing competitive compensation to our Named Executive Officers;
- rewarding Named Executive Officers for past performance and motivating them to excel in the future; and
- rewarding superior performance of both the Company and each individual executive and encouraging actions that promote our near-term and long-term strategic goals.

We believe that our existing compensation programs have been effective at motivating our Named Executive Officers to achieve superior performance and successes for us, aligning compensation with performance measures and stockholder interests and enabling us to attract, retain and motivate talented executive officers.

We are asking our stockholders to indicate their support for our Named Executive Officers’ compensation as described in this proxy statement. This proposal, commonly known as a “say-on-pay” proposal, gives our stockholders the opportunity to express their views on our Named Executive Officers’ compensation. Accordingly, we will ask our stockholders to approve, on an advisory basis, the compensation of the Named Executive Officers, as disclosed in the Company’s proxy statement for the Annual Meeting pursuant to the compensation disclosure rules of the SEC, including the Compensation Discussion and Analysis, the Fiscal Year 2013 Summary Compensation Table and the other related tables and disclosures by voting **FOR** the approval of our executive compensation program.

The say-on-pay vote is advisory, and therefore not binding on the Company, the compensation committee or our Board. Our Board and our compensation committee value the opinions of our stockholders and will review and consider the outcome of this advisory vote when making future compensation decisions for our Named Executive Officers and will evaluate whether any actions are necessary.

The Company will include a proposal seeking stockholder approval, on an advisory basis, of the compensation of our Named Executive Officers in its proxy statement every year until the annual meeting of stockholders in 2017. In 2017, the Company will include a proposal seeking stockholder approval, on an advisory basis, of the frequency at which the Company shall seek stockholder approval, on an advisory basis, of the compensation of our Named Executive Officers.

Recommendation of the Board

The Board recommends that you vote **FOR** the approval of the compensation of our Named Executive Officers.

AUDIT & FINANCE COMMITTEE REPORT

Our audit and finance committee is composed of four independent directors, all of whom are financially literate. In addition, the Board has determined that Mr. Renken, an independent director and the chairman of the audit and finance committee, qualifies as an “audit committee financial expert” as defined by the SEC. The audit and finance committee operates under a written charter, which reflects the requirements regarding audit committees under the NASDAQ Rules and The Sarbanes-Oxley Act of 2002. A copy of the audit and finance committee charter is available on the Company’s website at www.limoneira.com.

The audit and finance committee’s primary role is to assist the Board in fulfilling its responsibility for oversight of (1) the quality and integrity of the consolidated financial statements and related disclosures, (2) compliance with legal and regulatory requirements, (3) the independent auditors’ qualifications, independence and performance and (4) the performance of our internal audit and control functions.

The Company’s management is responsible for the preparation of the financial statements, the financial reporting process and the system of internal controls. The independent auditors are responsible for performing an audit of the financial statements in accordance with auditing standards generally accepted in the United States, and issuing an opinion as to the conformity of those audited financial statements to United States generally accepted accounting principles. The audit and finance committee monitors and oversees these processes.

The audit and finance committee has adopted a policy designed to ensure proper oversight of our independent auditor. Under the policy, the audit and finance committee is directly responsible for the appointment, compensation, retention and oversight of the work of any registered public accounting firm engaged for the purpose of preparing or issuing an audit report or performing any other audit review (including resolution of disagreements among management and the auditor regarding financial reporting), or attestation services. In addition, the audit and finance committee is responsible for pre-approving any non-audit services provided by the Company’s independent auditors. The audit and finance committee’s charter also ensures that the independent auditor discusses with the audit and finance committee important issues such as internal controls, critical accounting policies, any instances of fraud and the consistency and appropriateness of our accounting policies and practices.

The audit and finance committee has reviewed and discussed with management and Ernst & Young, LLP, the Company’s independent auditor, the audited financial statements as of and for the year ended October 31, 2013. The audit and finance committee has also discussed with Ernst & Young, LLP the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (Communication with Audit Committees). In addition, the audit and finance committee has received from the independent auditor its written report required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and has discussed with Ernst & Young, LLP its independence from the Company and its management. Based on these reviews and discussions, the audit and finance committee has recommended to the Board, and the Board has approved, the inclusion of the audited financial statements in the Company’s Annual Report on Form 10-K for the year ended October 31, 2013.
